

LIST OF TABLE

Table 1.1 Indonesian PISA Test Result for 2000-2018.....	3
Table 2.1 Levels of Mathematical Literacy According to the OECD (2009)	15
Table 2.2 Problem-Solving Ability in Assesing Mathematical Literacy According to the OECD (2019).....	20
Table 2.3 Activities of Mathematical Literacy Processes According to OECD (2019).....	22
Table 2.8 Relevant Research Results	28
Tabel 3.1 Guideline for Analyzing Students' Mathematical Literacy (Expected student actions for mathematical reasoning and each of the problem-solving processes).....	39
Tabel 3.2 The Coding for Analyzing Students' Mathematical Literacy (Problem-Solving Processes).....	42
Tabel 3.3 The Coding for Analyzing Students' Mathematical Literacy (Mathematical Reasoning).....	44
Table 4.1 Interview Respondents Based on Student Test Results.....	48
Table 4.2 Identification of Subject 1 Mathematical Literacy Indicators in Problem Number 1	55
Table 4.3 Identification of Subject 1 Mathematical Literacy Indicators in Problem Number 2	61
Table 4.4 Identification of Subject 1 Mathematical Literacy Indicators in Problem Number 3	68
Table 4.5 Identification of Subject 1 Mathematical Literacy Indicators in Problem Number 4	74

Table 4.6 Identification of Subject 2 Mathematical Literacy Indicators in Problem Number 1	81
Table 4.7 Identification of Subject 2 Mathematical Literacy Indicators in Problem Number 2	87
Table 4.8 Identification of Subject 2 Mathematical Literacy Indicators in Problem Number 3	96
Table 4.9 Identification of Subject 2 Mathematical Literacy Indicators in Problem Number 4	104
Table 4.10 Identification of Subject 3 Mathematical Literacy Indicators in Problem Number 1.....	112
Table 4.11 Identification of Subject 3 Mathematical Literacy Indicators in Problem Number 2.....	117
Table 4.12 Identification of Subject 3 Mathematical Literacy Indicators in Problem Number 3.....	122
Table 4.13 Identification of Subject 3 Mathematical Literacy Indicators in Problem Number 4.....	126
Table 4.14 Identification of Subject 4 Mathematical Literacy Indicators in Problem Number 1.....	135
Table 4.15 Identification of Subject 4 Mathematical Literacy Indicators in Problem Number 2.....	142
Table 4.16 Identification of Subject 4 Mathematical Literacy Indicators in Problem Number 3.....	148
Table 4.17 Identification of Subject 4 Mathematical Literacy Indicators in Problem Number 4.....	152
Table 4.18 Identification of Subject 5 Mathematical Literacy Indicators in Problem Number 1.....	159
Table 4.19 Identification of Subject 5 Mathematical Literacy Indicators in Problem Number 2.....	163

Table 4.20 Identification of Subject 5 Mathematical Literacy Indicators in Problem Number 3.....	167
Tabel 4.21 Identification of Subject 5 Mathematical Literacy Indicators in Problem Number 4.....	171
Tabel 4.22 Identification of Subject 6 Mathematical Literacy Indicators in Problem Number 1.....	177
Tabel 4.23 Identification of Subject 6 Mathematical Literacy Indicators in Problem Number 2.....	183
Tabel 4.24 Identification of Subject 6 Mathematical Literacy Indicators in Problem Number 3.....	188
Tabel 4.25 Identification of Subject 6 Mathematical Literacy Indicators in Problem Number 4.....	191
Tabel 4.31 Indicators of Mathematical Literacy Identified in High-Ability Group	195
Tabel 4.32 Indicators of Mathematical Literacy Identified in Moderate-Ability Group	203
Tabel 4.33 Indicators of Mathematical Literacy Identified in Low-Ability Group	209
Tabel 4.34 Comparison of students' ability levels in answering PISA-based questions with students' abilities in answering PISA questions	219
