

PREFACE

First of all the writer would like to praise to the Almighty God Jesus Christ for His blessing and His favor, so that the writer can finished her thesis entitled **“The Development of Interactive Learning Media based iSpring Application on Reaction Rate Material for Grade XI Senior High School”**. This thesis was prepared as one of the requirements to achieve Bachelor of Education degree in Chemistry Education Study Program, Department of Chemistry, Faculty of Mathematic and Natural Sciences, State University of Medan.

The preparation of this thesis has gone through a long and exhausting process and various stages according to the standard procedures that apply in Faculty of Mathematic and Natural Sciences, State University of Medan. The writer realizes this thesis cannot be finished without the help of various parties. Therefore on this occasion, the writer would like to express her gratitude to :

1. Mrs. Prof. Dr. Fauziyah Hrp, M.Si., as a Dean of Faculty of Mathematic and Natural Sciences, State University of Medan.and all her staff.
2. Mrs. Dr. Iis Siti Jahro, M.Si., as a Thesis Supervisor for all of advices, suggestion, guidance and constructive critics in the process of completing the thesis.
3. Mr. Prof. Drs. Manihar Situmorang, M.Sc., Ph.D., as a Academic Supervisor for all guidances to the writer during the time of college.
4. Mr. Dr. Zainuddin Muchtar, M.Si., Mr. Moondra Zubir, Ph.D., and Mrs. Prof. Dr. Ida Duma Riris, M.Si., as my examiner lecturers who has given suggests and good input in the improvement of this thesis.
5. Mrs. Prof. Dr. Retno Dwi Suyanti, M.Si., and Mr. Haqqi Annazili Nasution, S.Pd., M.Pd., as expert validators also Mrs. Rika Saidah Lubis, S.Pd., and Mr. Sajali Surbakti, S.Pd., M.Si., as practitioner validators for the validation and good input to my learning media.
6. Mr. Dr. Ayi Darmana, M.Si., as a Head of Chemistry Department, Faculty of Mathematic and Natural Sciences, State University of Medan.
7. Mrs. Dr. Ely Djulia, M.Pd., as a Coordinator of Bilingual Program.

8. My beloved parents, My father Mangapul Marbun, S.H., M.H., and my mother Gempina Parhusip for their compassion, prayers, sacrifices and non-stop supports through funds, motivation, and a great spirit. Thank you for everything. Without you, I might not be the person I am today.
9. My one and only brother, Basri Hartadinata Marbun for always be my comfort place when time gets hard and for constant support.
10. My classmate in Bilingual Chemistry 2018 for fighting together and supports for about 4 years during college.
11. My sister during college, Kak Siska Agustina and Kak Lisma Sihombing for all supports and prayers.
12. Bangtan Sonyeondan for being present at my lowest point in my life and being an encouragement in preparing my thesis.
13. Himpunan Mahasiswa Jurusan (HMJ) Kimia has helped the writer in developing herself and socializing through organizational responsibility.
14. IKBKK has taught the meaning of family, motivating and encouraging during the time of college.
15. All parties that researcher cannot name one by one that has helped the writer either directly or indirectly in completing this thesis.
16. Last but not least, I wanna thank me for believing in me, for doing all this hard work, for having no days off, for never quitting, for just being me at all times.

Nevertheless, in this thesis report, the author realizes it is still far from perfect. Therefore, the author expects suggestions and criticisms to build perfection and improvement so that finally this thesis report can provide benefits for the field of education and enrich the knowledge for a better education.

Medan, September 13th 2023

The researcher,

Maydline Fransiska Marbun
