

LIST OF TABLE

Table 1.1. Diagnostic test results for understanding students' mathematical concepts.	5
Table 3.1. Guidelines for Scoring the Motivational Questionnaire	48
Tabel 3.2. Percentage of Learning Motivation	49
Table 3.3. Guidelines for Scoring Mathematical Comprehension Ability Test Answers	50
Table 3.4. Criteria for Percentage of Mathematical Concept Understanding Ability Test Results	52
Table 4.1 Achievement Score Indicators for Motivation Pre Cycle	55
Table 4.2 Achievement Score Indicators for Understanding Mathematical Concepts Pre Cycle	57
Table 4.3 Teacher and student activities in cycle I	59
Table 4.4 Teacher activities manage learning cycle I	63
Table 4.5 Classification of categories of students' motivation scores Cycle I	65
Table 4.6 Achievement Score Indicators for Motivation Cycle I	66
Table 4.7 Classification of categories of students' Understanding of Mathematical Concepts Scores Cycle I	68
Table 4.8 Achievement Score Indicators for Understanding Mathematical Concepts Cycle I	69
Table 4.9 Test results for understanding students' mathematical concepts Cycle I	71
Table 4.10 Findings and Revisions During the Cycle I Learning Process	73
Table 4.11 Teacher and student activities in cycle II	76
Table 4.12 Teacher activities manage learning cycle II	81
Table 4.13 Classification of categories of students' motivation scores Cycle II	83
Table 4.14 Achievement Score Indicators for Motivation Cycle II	84
Table 4.15 Classification of categories of students' Understanding of Mathematical Concepts Scores Cycle II	86

Table 4.16 Achievement Score Indicators for Understanding Mathematical Concepts Cycle II	87
Table 4.17 Test results for understanding students' mathematical concepts Cycle II.....	89
Table 4.18 Findings and Revisions During the Cycle II Learning Process.....	92
Table 4.19 Teacher and student activities in cycle III	95
Table 4.20 Teacher activities manage learning cycle III	99
Table 4.21 Classification of categories of students' motivation scores Cycle III.....	101
Table 4.22 Achievement Score Indicators for Motivation Cycle III	102
Table 4.23 Classification of categories of students' Understanding of Mathematical Concepts Scores Cycle III.....	105
Table 4.24 Achievement Score Indicators for Understanding Mathematical Concepts Cycle III.....	106
Table 4.25 Test results for understanding students' mathematical concepts Cycle III	109
Table 4.26 Findings and Revisions During the Cycle III Learning Process.....	112
Table 4.27 Recapitulation of Motivation Questionnaire Results Per Cycle	114
Table 4.28 Recapitulation of Mathematical Concept Understanding Test Results Per Cycle.....	114
