

FOREWORD

Alhamdulillah, praise and gratitude to Allah SWT, for all His grace and guidance which has given wisdom to the author so that this thesis can be completed properly. The thesis, entitled "Development of STEM-Based Pocketbook Learning Media on the Topic of the Human Respiratory System on the Learning Outcomes of Class XI Students of SMA Mitra Inalum Tanjung Gading 2023/2024", was prepared to obtain a Bachelor of Education, Faculty of Mathematics and Natural Sciences, Medan State University.

The author realizes that the preparation of this thesis will not be completed without support from various parties, both directly and indirectly. Through this opportunity, the author would like to express his gratitude to all parties who have helped in the preparation of the thesis. A big thank you is conveyed to Dr. Ely Djulia, M.Pd as a Thesis Supervisor, for her extraordinary guidance, motivation, and direction so that all stages in the preparation of this thesis can be passed properly. To Prof. Dr. Fauziah Harahap, M.Sc., Prof. Dr. Tri Harsono, M.Si., and Dr. Ashar Hasairin, M.Si., as Examining Lecturers, who have given many criticisms and suggestions for improvement starting from the proposal seminar to the examination stage of maintaining the thesis, so that this thesis can be completed properly as well.

The author also conveys his infinite gratitude to Syarifuddin, M.Sc., Ph.D., as an Academic Supervisor who has helped lectures from the beginning to the end semester, to Dr. Hasruddin, M.Pd., Dr. Widya Arwita, S.Pd., M.Pd., and Drs. Onggal Sihite, M.Si., as Validator Lecturers for their assistance who have provided many inputs and suggestions on the learning media used. The author also does not forget to thanks Ir. M. Yakup as the Principal of SMA Mitra Inalum Tanjung Gading and Netty Herawaty, S.Pd. as Biology Teachers at SMA Mitra Inalum for their help in accepting and giving the author the flexibility to conduct research at the school. Thank you also to the students of SMA Mitra Inalum who have been willing to help and cooperate during the research.

Especially My Handa H. Samian Amri Purba, S.Pd., M.Pd and My Ibun Hj. Anita Erliana, S.ST. Which witnessed the struggle and journey of the author in completing this education and thesis writing. Handa, thank you for being the greatest figure who always strives to provide the best education for writers to get a bachelor's degree. Ibun, thank you for always trying the best for the author. Thank you for always praying and waiting patiently for the author to get this bachelor's degree. There are not many words that the author can express to describe gratitude to Handa and Ibun. Handa, Ibun may we always be under the protection of Allah SWT.

Especially again, the author wishes to the author's beloved siblings dr. Siti Meilvia Sari Purba, Rhaudatul Jannah Purba and Nayla Syifa Purba. Thank you for always providing inspiration to continue to move forward, be a friend to exchange ideas, a place to complain and be the best support system for writers in completing this thesis. Thank you for the time, material, prayers that are always offered and all the good things given to the author so far. May we always be given happiness and success in this life *'Aamiin ya Rabbal'amin'*.

Not to forget, the author would like to thank the author's friend since 2013 until now Nabila Aulia, S.Ds. who accompanied the author in making a pocket book in this study. Thank you for your suggestions and input on the pocket book design that the author developed. Thank you also to the hate and love relationships with Yana Sofia Putri, Aisyah Warahma, Salwa Khairani Ahmad, Sarah Nur Fadhilah and Bismi Amrina who gave encouragement and prayers to the author to continue this journey. BESE 2019 friends, especially my best friends (Mindu Laura, Josephine Gloria, Maria Naomi, Hana Sophia), comrades in arms while on campus, and friends sharing stories. Thank you also to all parties who cannot be named one by one who always provide support, prayers and motivation to the author. Thank you for being together all these years.

The author realizes that there are still many shortcomings in writing this thesis, both in terms of content and grammar. The author expects constructive suggestions and criticisms from readers for the perfection of this thesis. Hopefully this thesis is useful for readers in enriching the treasures of educational science.
