

## List of Attachment

	<i>Page</i>
<b>Attachment 1.</b> Observation Letter .....	94
<b>Attachment 2</b> Transcript of Biology Teacher Interview Results .....	95
<b>Attachment 3</b> Results of Student Needs Questionnaire Analysis.....	97
<b>Attachment 4.</b> Letter of Permission to Carry Out Research .....	98
<b>Attachment 5</b> Assesment Result Sheet by Material Expert.....	99
<b>Attachment 6</b> Assessment Result Sheet by Learning Expert .....	102
<b>Attachment 7</b> Assessment Result Sheet by Design Expert .....	105
<b>Attachment 8.</b> Teacher Response Result Assessment Sheet .....	107
<b>Attachment 9.</b> Student Response Result Assessment Sheet.....	110
<b>Attachment 10.</b> Results of Individual Trials on Student Worksheet Products ..	116
<b>Attachment 11.</b> Results of Small Group Trials on Student Worksheet Products .....	117
<b>Attachment 12.</b> Limited Group Trial Results for Student Worksheet Products	118
<b>Attachment 13.</b> Class XI High School Biology Syllabus.....	119
<b>Attachment 14.</b> Test Question Validation Letter.....	121
<b>Attachment 15.</b> Instrument Grid of Human Respiratory System Test Questions .....	122
<b>Attachment 16.</b> Instrument Grid of Human Respiratory System Test Questions and Answer Key.....	123
<b>Attachment 17.</b> Experimental and Control Class Learning Outcomes.....	134
<b>Attachment 18.</b> Descriptive Analysis Table of Pretest and Posttest Values .....	135
<b>Attachment 19.</b> Normality Test Results for Experimental and Control Classes	136
<b>Attachment 20.</b> Paired Sample t-Test Results .....	137
<b>Attachment 21.</b> Homogeneity Test Results .....	138
<b>Attachment 22.</b> Independent T Test Results of Posttest of Experimental and Control Classes .....	139

**Attachment 23.** Reply Letter Has Conducted Research ..... 140  
**Attachment 24.** Documentation ..... 141  
**Attachment 25.** STEM Based Pocket Book of Human Respiratory System ..... 143
