

ACKNOWLEDGEMENT

Praise and gratitude the authors say to the presence of almighty God who has given His mercy, so that the writer can complete this thesis well. This thesis was prepared to fulfil several requirements needed to achieve a Bachelor of Education degree at the Chemistry Education Study Program, Faculty of Mathematics and Natural Sciences (FMIPA), Universitas Negeri Medan.

In the preparation of this thesis, the author received many invaluable inputs, directions, and encouragement from several parties. Therefore, with all humility, the researcher would like to express his deepest gratitude to:

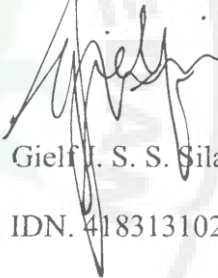

1. The Chancellor of Universitas Negeri Medan who has given the author the opportunity to gain knowledge.
2. The Dean of the Faculty of Mathematics and Natural Sciences, Universitas Negeri Medan, who has allowed the author to use the facilities while the author is studying so that author can complete this thesis.
3. Mr. Prof. Drs. Manihar Situmorang, M. Sc., Ph, D as a thesis supervisor who has provided a lot of guidance, direction, advice, motivation and time to the author from the beginning of planning the proposal, research until the completion of this thesis writing.
4. Mr. Agus Kembaren, S.Si, M.Si., as an academic supervisor who has given encouragement to the author.
5. Mrs. Elfrida Ginting, S.Si., M.Sc., Ph.D., Mr. Dr. Ayi Darmana, M.Si., and Dr. Marham Sitorus M. Si. as my thesis examiner who has provided many suggestions for the perfection of the thesis.
6. Mrs. Makharany Dalimunthe, S.Pd., M.Pd., and Mrs. Prof. Dr. Retno Dwi Suyati, M.Si. as expert validators of media and material.
7. All Mr. and Mrs. Lecturers of the Department of Chemistry, FMIPA UNIMED.
8. In particular, the researcher would like to express his deepest gratitude to the best parents as well as motivators who is willing to sacrifice and always supports and prays for the author.

9. All researchers who always provide motivation and assistance both in terms of material, morals and pray for the author.
10. My fellow researchers who always give encouragement, motivation, and always help researchers in completing this thesis.

The author has tried his best to complete the thesis which the author realizes that he still has many shortcomings, both in terms of content and grammar. Finally, the author hopes that this thesis can be useful for the author and for the reader to be used as input for the world of education in the future.
