

ABSTRACT

Sianturi, Umar Sukirbon, Registration Number 2181121022, The Implementation of Independent Curriculum by English Teacher at Tenth Grade Students in SMK Sinar Husni Medan, A Thesis, English and Literature Department, Faculty of Languages and Arts, Universitas Negeri Medan, 2023.

The focus of this study was to describe the learning models used by teacher in teaching English at Tenth Grade Students at SMK Sinar Husni Medan. The research of this study used a qualitative descriptive method. The data of this study were taken from the transcription of field note and transcription of tape recording from the English teacher when teaching in the class. The data was collected through observation, and interview. It was analyzed using Miles, Huberman, and Saldana (2014) framework. In this study, it was found out that the teacher used Project Based Learning model in teaching English. As a result, the findings of this study indicated that the teacher used the learning models and implemented all of the indicators in accordance with theory.

Keywords: Independent Curriculum, Learning Model, Project Based Learning.
