

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter contains two key ideas: a conclusion and a suggestion in relation to the analysis conducted in the preceding chapter.

A. Conclusion

1. The conclusion of this study is moral values presented in this movie is divided into two. The first is value of being which includes honesty, courage, peace of ability, self-confidence and potential, self-discipline and moderation, and fidelity and chastity. There are 14 data found in this type. The second is value of giving which includes loyalty and dependability, respect, love and affection, unselfishness and sensitivity, kindness and friendliness, and justice and mercy. There are 13 data found in this type.
2. By using both physical movement and conversation, the main characters conveyed East culture. The key characters progressed morally and ethically. It encompasses moral values like the value of being and value of giving. The main character represented the East culture by taking of his shoes before coming in to the house and presenting food for dead people in the afterlife.
3. The values are presented as the way they are, in order to inform and influence the audiences. This study provides information and messages to the audiences. Since the audience sees the movie through visualization, the messages might be either positive or negative depending on the audience. Moral values are principles that describe how one should live.

B. Suggestion

1. Enjoying a movie is pleasant. It is not just about having a good time by viewing a movie. However, a movie may also be a useful tool for teaching us a lot of things. One of them is studying moral values. As a result, the author hoped that viewers would perceive the film's good aspects and apply its moral lessons to their own lives.
2. The reader can learn anything and everything about the moral values of the film by reading this thesis. It is because morality played a big role in social interactions. As another form of media, they can watch a movie to learn about moral values.
3. The reader can learn and apply moral values from this thesis to their daily lives. Readers who are interested in learning more about these moral values might use this thesis as a guide.
