

PREFACE

Praise the author's gratitude to God Almighty, for all His mercy and grace so that the author can complete this thesis well. This thesis is prepared to fulfill the requirements in obtaining a bachelor of education degree in the Bilingual Chemistry Education study program, Faculty of Mathematics and Natural Sciences, Medan State University.

The preparation of this thesis has certainly gone through a long and tiring process. However, behind this process, the author realizes that the preparation of this thesis can be completed properly because of the guidance and support from lecturers, parents, and friends of the author both directly and indirectly. In preparing this thesis, the author received a lot of guidance, direction, support and motivation from various parties. May God Almighty reward all the goodness that has been given. In this introduction the author would like to express his gratitude to:

1. Ma'am Prof. Dr. Ida Duma Riris, M.Si as a thesis supervisor who has provided a lot of guidance, advice and direction to the author in completing this thesis from start to finish.
2. Mr Dr. Zainuddin Muchtar, M.Si., Ma'am Elfrida Ginting, S.Si., M.Sc., Ph.D., and Sir Haqqi Annazili Nasution, M.Pd. as examining lecturers who have provided criticism and suggestions for improvement in order to perfect the preparation of this thesis.
3. Ma'am Prof. Dr. Retno Dwi Suyanti M.Si., Ma'am Marnida Yusufiani, S.Pd., M.Pd, Ma'am Dwy Puspita Sari, M.Pd, and Ma'am Zuhairiah Nst, S.Pd., M.Si who have been willing to become validators of test and non-test instruments in this study.
4. Mr Prof. Drs. Manihar Situmorang, M.Sc., Ph.D as an academic advisor (PA) who has provided academic guidance, direction and motivation to the author in undergoing the lecture process until the completion of the process of preparing this thesis.
5. Ma'am Suaibatul Aslamiah, M.Si. as Principal of SMA N 2 Percut Sei Tuan, Mr. /Mrs. Vice Principal of SMA N 2 Percut Sei Tuan, Administrative Staff,

Chemistry teachers especially Ma'am Denny Sihotang, S.Pd who have helped the author in the preparation of this thesis and Students / Class XII and XII SMAN 17 Medan who have deigned to provide opportunities, accept and assist the author in carrying out research.

6. Teristimewa Special thanks to Mr. James Bahren Silaban and Mrs. Ermawati Gultom as both parents who struggled hard in educating and sending to school and always supporting all the activities that the author did so that the author could obtain a Bachelor of Education degree. Thanks also to brother Daniel Robe Parulian Silaban, sister Sureli Rotua Silaban, Retta Elizar Silaban, Betti Dumai Silaban and sister Eva Putri Silaban who have provided motivation, prayers and enthusiasm to the author in completing education at Medan State University.
7. My friends Rezky Maharani, Al Miza Ginting as a member of Upin Ipin Apin, Akhirunnisa Audina, friends from LP2IM, GSM and friends from the CESP 2020 class for all their support, help and prayers to jointly struggle in all circumstances.
8. All parties who helped the author in preparing the thesis who have provided support in the form of motivation and space to listen to the author's complaints and provide trust and opportunities to explore the author's potential in practicing abilities, namely Bimbel Universe and Bimbel GENZI along with all coworkers.
9. Finally, to myself, Lamtiur Paronauli Silaban. Thank you for fighting this far. Thank you for persevering and bravely stepping up to every challenge life throws at you. To be at this point, with various feelings of fatigue but still dare to try and try. May this achievement be a new beginning to dare to work and try new things that are certainly constructive. Thank you for being strong and resilient.

Medan, April 03rd 2024

Lamtiur Paronauli Silaban
