- Special thanks to beloved family, beloved parents, my first love Ramses Jan Pieter Simamora, and beloved mother Jeni Raulina Pangaribuan as a sign of devotion, respect, and infinite gratitude. The writer dedicates this small work to Mother and Father who have given their love, all the support, and infinite love that I cannot possibly repay with just a piece of paper that has

the word love written in the word offering. Hopefully, this will be the first step to making Mom and Dad happy because I realize that so far, I haven't been able to do anything more. This thesis is dedicated to her beloved brothers Ramedi Jenius Simamora and Sophian Parbue Simamora, and sisters, Rut Chasiany Simamora, and also her beloved big family. Thank you so much to them for all the prayers and support.
