

## ACKNOWLEDGEMENT

Praise and gratitude the authors say to the presence of Allah Subhanallahu Wata'ala who has given His mercy, so that the writer can complete this thesis entitled “Development of Learning Media Based on Animation Video in Learning on Hydrocarbon Material at Grade XI Senior High School”. This thesis was prepared to fulfil several requirements needed to achieve a Bachelor of Education degree at the Chemistry Education Study Program, Faculty of Mathematics and Natural Sciences (FMIPA), Universitas Negeri Medan.

In the preparation of this thesis, the author received many invaluable inputs, directions, and encouragement from several parties. Therefore, with all humility, the researcher would like to express his deepest gratitude to:

1. Dr. Syamsul Gultom, SKM., M.Kes. as the Chancellor of the State. University of Medan who has given the author the opportunity to complete her studies at the State University of Medan.
2. Mrs. Dr. Ani Sutiani, M.Si. as the Dean of the Faculty of Mathematics and Natural Sciences, State University of Medan who has provided smooth administration to the author so that this thesis can be completed.
3. Mr. Dr. Zainuddin Muchtar, M.Si., as a thesis supervisor who has provided a lot of guidance, direction, advice, motivation and time to the author from the beginning of planning the proposal, research until the completion of this thesis writing.
4. Mr. Prof. Drs. Manihar Situmorang, M. Sc., Ph, D., as an academic supervisor who has given encouragement to the author.
5. Mr. Marham Sitorus, M.Si., as the First Examiner, who has provided suggestions, improvements and directions in the improvement of this thesis.
6. Mrs. Dr. techn. Marini Damanik, M.Si., as the Second Examiner, who has provided suggestions, improvements and directions in the improvement of this thesis.

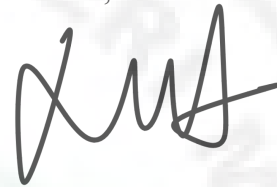

7. Mrs. Elfrida Ginting, S.Si., M.Sc., Ph.D., as the Third Examiner, who has provided suggestions, improvements and directions in the improvement of this thesis.
8. Mrs. Prof. Dr. Retno Dwi Suyanti, M. Si., as a Media Validator who has provided suggestions, improvements and directions for media.
9. Mrs. Nora Susanti, S.Si., Apt., M.Sc., as a Material Validator who has provided suggestions, improvements and directions for media.
10. Mrs. Mutiara Agustina Nst, S.Pd., M.Pd., as an Instrument Validator and Media Validator who has provided suggestions, improvements and directions for test instruments and media.
11. Mr. Ahmad Habibi, S.Pd., M.Pd., as the Principal who has given permission to carry out research at SMAN 2 Tanjungbalai.
12. Mrs. Nurhanifah Br. Siregar, S.Pd., as a Chemistry Teacher at SMAN 2 Tanjungbalai for her assistance during research at grade XI MIA 1 and as an Material Validator who has provided suggestions, improvements and directions to media.
13. The students of grade XI MIA 1 SMAN 2 Tanjungbalai who have participated in this research.
14. To all Bilingual Chemistry Education Department Staff and Faculty of Mathematics and Natural Sciences staff.
15. To the author's parents, namely Riza Syah Fahlevi and Zenni Efrida Siregar, who have sincerely struggled for the sake of the researcher, patiently listening to the complaints of the researcher, giving encouragement both in real and material form, and praying unceasingly for the success and happiness of the author.
16. To my friend, Geilf J. S. S. Silalahi who always give encouragement and motivation to the author by remind and teach author.
17. All friends of the Bilingual Chemistry Education Department 2018 who always provide support, enthusiasm, togetherness and the most beautiful memories to the author.

The author has tried her best to complete the thesis which the author realizes that he still has many shortcomings, both in terms of content and grammar.

Finally, the author hopes that this thesis can be useful for the author and for the reader to be used as input for the world of education in the future.
