| LIST OF FIGURES .....                                             | xii  |
| LIST OF TABLES .....                                              | xiii |
| LIST OF APPENDIX .....                                            | xiv  |
| CHAPTER I.....                                                    | 1    |
| INTRODUCTION.....                                                 | 1    |
| 1.1 Background of The Problem .....                               | 1    |
| 1.2 Identify The Problem .....                                    | 4    |
| 1.3 Scope of Problem .....                                        | 4    |
| 1.4 Problem Limitation .....                                      | 5    |
| 1.5 Problem Formulation .....                                     | 5    |
| 1.6 Research Objectives .....                                     | 5    |
| 1.7 Research Benefits.....                                        | 5    |
| CHAPTER II .....                                                  | 7    |
| THEORETICAL REVIEW .....                                          | 7    |
| 2.1 Theoretical Review .....                                      | 7    |
| 2.1.1 Study and Learning .....                                    | 7    |
| 2.1.2 Learning Model.....                                         | 8    |
| 2.1.2.1 Science Technology Society Model.....                     | 8    |
| 2.1.2.2 Syntax of The Science Technology Society (STS) Model..... | 9    |
| 2.1.2.3 Advantages and Weaknesses of STS .....                    | 10   |
| 2.1.3 Learning Media .....                                        | 11   |
| 2.1.3.1 Animation Video .....                                     | 12   |

|                               |                                     |           |
|-------------------------------|-------------------------------------|-----------|
| 2.1.4                         | Critical Thinking .....             | 13        |
| 2.1.4.1                       | Critical Thinking Indicators .....  | 14        |
| 2.1.4.2                       | Benefits of Critical Thinking ..... | 15        |
| 2.1.5                         | Static Fluid .....                  | 16        |
| 2.1.5.1                       | Pressure .....                      | 16        |
| 2.1.6                         | Archimedes' Law Material .....      | 18        |
| 2.1.6.1                       | Archimedes' Law .....               | 18        |
| 2.1.6.2                       | Buoyant Force .....                 | 20        |
| 2.1.6.3                       | Effect Density.....                 | 20        |
| 2.2                           | Relevant Research Results .....     | 21        |
| 2.3                           | Framework of Thinking .....         | 24        |
| 2.4                           | Research Hypothesis .....           | 25        |
| <b>CHAPTER III.....</b>       |                                     | <b>26</b> |
| <b>RESEARCH METHODS .....</b> |                                     | <b>26</b> |
| 3.1                           | Research Location and Time.....     | 26        |
| 3.2                           | Population and Subject.....         | 26        |
| 3.3                           | Research Design.....                | 27        |
| 3.4                           | Research Variable .....             | 28        |
| 3.5                           | Types of Research.....              | 28        |
| 3.6                           | Operational Defenition.....         | 28        |
| 3.7                           | Research Instrument.....            | 29        |
| 3.7.1                         | Observation .....                   | 29        |
| 3.7.2                         | Interview .....                     | 30        |
| 3.7.3                         | Student Test Instrument .....       | 30        |
| 3.7.4                         | Documentation .....                 | 30        |
| 3.8                           | Data Collection Technique.....      | 30        |
| 3.9                           | Research Procedure.....             | 30        |
| 3.9.1                         | Preparation Stage .....             | 30        |
| 3.9.2                         | Implementation Stage.....           | 31        |
| 3.9.3                         | Final Stage of Research.....        | 31        |
| 3.10                          | Research Instrument Test.....       | 32        |
| 3.10.1                        | Validity of Test Items.....         | 32        |

|                                                                         |           |
|-------------------------------------------------------------------------|-----------|
| 3.10.1.1 Content Validity .....                                         | 32        |
| 3.10.1.2 Predictive Validity.....                                       | 33        |
| 3.10.2 Reliability.....                                                 | 34        |
| 3.11 Data Analysis .....                                                | 34        |
| 3.11.1 Normality Test .....                                             | 34        |
| 3.11.2 Homogeneity Test.....                                            | 35        |
| 3.11.3 N-Gain Test.....                                                 | 35        |
| 3.11.4 Independent Sample t-test.....                                   | 36        |
| <b>CHAPTER IV.....</b>                                                  | <b>37</b> |
| <b>RESULT AND DISCUSSION.....</b>                                       | <b>37</b> |
| 4.1 Research Result.....                                                | 37        |
| 4.1.1 Research Result Description .....                                 | 37        |
| 4.1.2 Analysis of Research Instruments.....                             | 37        |
| 4.1.3 Test Validity.....                                                | 37        |
| 4.1.4 Test Reliability .....                                            | 38        |
| 4.2 Results of Research Data Analysis .....                             | 38        |
| 4.2.1 Data Normality Test.....                                          | 38        |
| 4.2.2 Data Homogeneity Test.....                                        | 39        |
| 4.2.3 Results of Pretest Data on Critical Thinking Ability .....        | 40        |
| 4.2.4 Results of Posttest Data on Critical Thinking Ability.....        | 40        |
| 4.2.5 Hypothesis Results .....                                          | 42        |
| 4.2.6 Results of Increasing Critical Thinking Ability (N-Gain) .....    | 43        |
| 4.2.7 Analysis of Aspects of Developed Critical Thinking Abilities..... | 44        |
| 4.3 Discussion of Research Result.....                                  | 46        |
| <b>CHAPTER V .....</b>                                                  | <b>55</b> |
| <b>CONCLUSION AND SUGGESTION .....</b>                                  | <b>55</b> |
| 5.1 Conclusion.....                                                     | 55        |
| 5.2 Suggestion .....                                                    | 55        |
| <b>BIBLIOGRAPHY .....</b>                                               | <b>56</b> |
| <b>APPENDIX .....</b>                                                   | <b>60</b> |

## LIST OF FIGURES

|                                                                   |    |
|-------------------------------------------------------------------|----|
| <b>Figure 2.1</b> The Working Principle of a Hydraulic Jack ..... | 17 |
| <b>Figure 2.2</b> Submarine .....                                 | 19 |
| <b>Figure 2.3</b> Forces Acting on Sunken Rocks.....              | 19 |
| <b>Figure 3.1</b> Research Design Scheme.....                     | 31 |

## LIST OF TABLES

|                                                                                      |    |
|--------------------------------------------------------------------------------------|----|
| <b>Table 2.1</b> STS Syntax According to Poedjiadi.....                              | 9  |
| <b>Table 2.2</b> Critical Thinking Indicators .....                                  | 15 |
| <b>Table 3.1</b> Population Table.....                                               | 25 |
| <b>Table 3.2</b> Pretest-posttest Control Group Design.....                          | 26 |
| <b>Table 3.3</b> Assessment Criteria.....                                            | 32 |
| <b>Table 3.4</b> Test Item Validity Criteria .....                                   | 32 |
| <b>Table 3.5</b> Reliability Categories and Values .....                             | 33 |

## LIST OF APPENDIXES

|                                                                                  |     |
|----------------------------------------------------------------------------------|-----|
| <b>Appendix 1</b> Fluid Static & Archimedes' Law Material Lesson Plan (RPP) .... | 60  |
| <b>Appendix 2</b> LKPD.....                                                      | 73  |
| <b>Appendix 3</b> Question Instrument Before Validation.....                     | 90  |
| <b>Appendix 4</b> Pre-Test and Post-Test Question Instrument Grid .....          | 102 |
| <b>Appendix 5</b> Validity Test Data Table .....                                 | 114 |
| <b>Appendix 6</b> Test Reliability Test Data Table.....                          | 115 |
| <b>Appendix 7</b> List of Names of Experimental Class Students .....             | 116 |
| <b>Appendix 8</b> List of Names of Control Class Students .....                  | 117 |
| <b>Appendix 9</b> Normality Test Output Results .....                            | 118 |
| <b>Appendix 10</b> Homogeneity Pretest & Pretest Output .....                    | 119 |
| <b>Appendix 11</b> List of Pretest & Posttest Scores for Experimental Class..... | 121 |
| <b>Appendix 12</b> List of Pretest & Posttest Scores for Control Class.....      | 122 |
| <b>Appendix 13</b> Aspects of Developed Critical Thinking Abilities .....        | 123 |
| <b>Appendix 14</b> Descriptive of N-Gain Pretest-Posttest Experiment Class ..... | 124 |
| <b>Appendix 15</b> Descriptive of N-Gain Pretest-Posttest Control Class.....     | 125 |
| <b>Appendix 16</b> Independent Sample t-Test.....                                | 126 |
| <b>Appendix 17</b> Teacher Interview Results .....                               | 127 |
| <b>Appendix 18</b> Table of r Product Moment Values .....                        | 131 |
| <b>Appendix 19</b> Documentations.....                                           | 132 |
| <b>Appendix 20</b> Research Letter .....                                         | 134 |
| <b>Appendix 21</b> Research Reply Letter .....                                   | 135 |
| <b>Appendix 22</b> Validation Permit Letter to School.....                       | 136 |
| <b>Appendix 23</b> Validation of Question Instruments to Lecturers .....         | 137 |
| <b>Appendix 24</b> Validate LKPD to Lecturers .....                              | 138 |
