

## ACKNOWLEDGEMENT

This final project has been completed well, the first time the researcher hopes to thank Christ Jesus for the blessings, guidance, and strength that he always gave until this project was completed. To my wife who always supports researchers in lectures until the researchers complete this final assignment. And also to the mothers and fathers of researchers who always care about their condition and always support researchers.

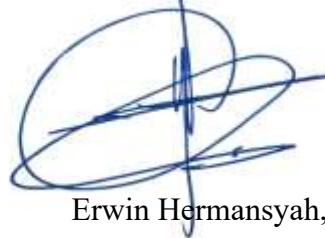

Researchers also want to propose thanks to people who have helped, supported, and guided researchers in completing the final project on time. they:

1. Winda Setiasari. S.S, M.Hum, P.hD. as the Head of English Applied Linguistics study program.
2. Dr. Rahmad Husein, M.Ed, first supervisor of this final project who has provided assistance, guidance, support, advice and time to the author, so that the author can complete this final project on time.
3. Dr. Meisuri, M.A, second supervisor of these two final projects who have provided assistance, guidance, support, advice and time to the authors, so that the authors can complete this final project on time.
4. All lectures who have given very valuable knowledge and science during my study at English Applied Linguistics Study Program Postgraduate School of State University of Medan
5. Then, our deepest gratitude goes to my beloved parents, M. H. Siahaan (+)/K. Br. Hasibuan who have financed my studies, and especially my beloved wife, Delima Natalina Sidabutar, Amd who always supports me in my studies until I finish my studies.
6. All my classmate LTBI 2021-B, and many other for their friendship and encouragement in Finishing this thesis.

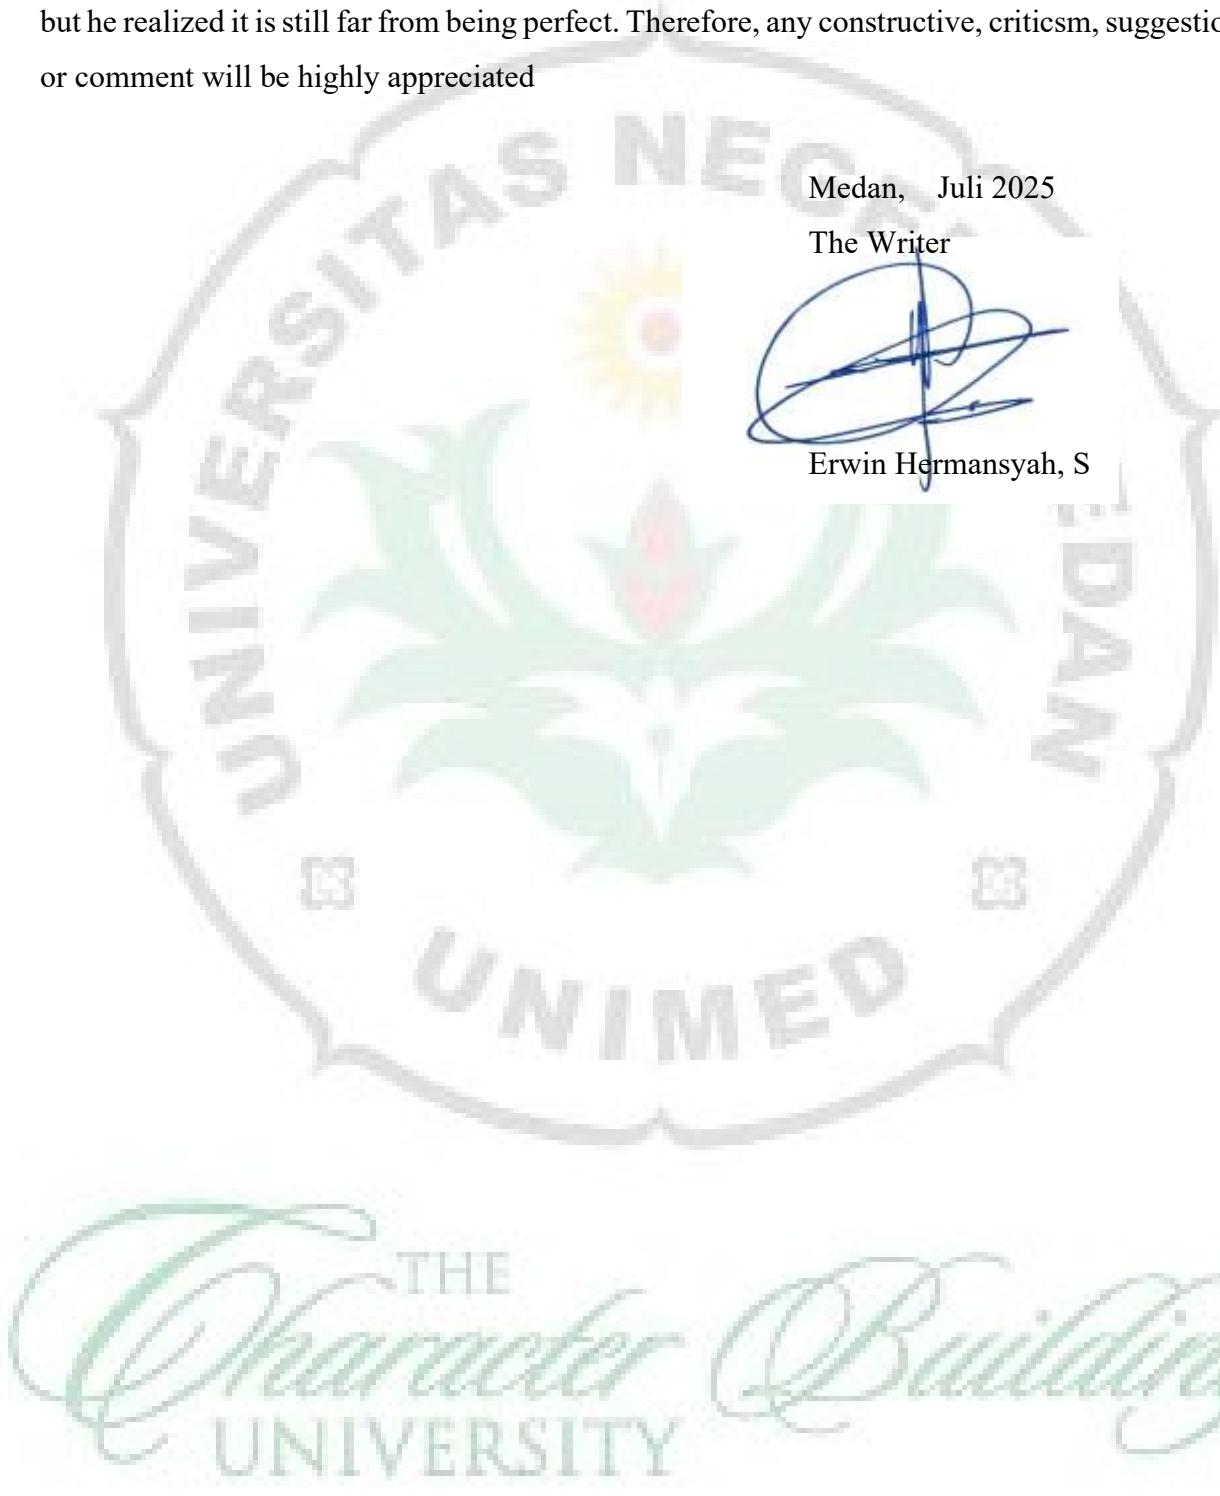

Last but not least, he must confess that he has done his most to accomplish this thesis but he realized it is still far from being perfect. Therefore, any constructive, criticsm, suggestion or comment will be highly appreciated
