

ACKNOWLEDGEMENT

With all humility, praise and gratitude the researcher thanks God Almighty for His grace, gifts, and guidance, so that the researcher can complete the dissertation entitled —Impoliteness Strategy In Moba Gamers Language Community.‖ The process of preparing this dissertation would not have been realized without the help, guidance, and support of various parties. Therefore, on this occasion the researcher would like to express his sincere gratitude to:

1. His appreciation and gratitude to the Rector, **Prof. Dr. Ir. Baharuddin, S.T., M.Pd.**, for the support and facilities that have been provided during my studies at State University of Medan. Without this institutional support, the completion of this dissertation would not have been possible.
2. **Dr. Zulkifli, M.Sn.**, as the Dean of the Faculty of Language and Arts, State University of Medan. Thank you for the support and ease of academic and administrative services provided during the researcher's study.
3. He would like to thank **Dr. Wisman Hadi, S.Pd., M.Hum.** as Vice Dean I, **Dr. Masitowarni Siregar, M.Ed.** as Vice Dean II, and **Dr. Surya M. Hutagalung, M.Pd.** as Vice Dean III of the Faculty of Language and Art, State University of Medan for the support, direction, and policies that have been given during my studies have been instrumental in the smooth running of the research and completion of this dissertation.
4. His sincere appreciation and gratitude to **Dr. Fahri Haswani, S.Pd., M.Hum.** as the Head of English Applied Linguistics Study Program, State University of Medan. Her guidance and support during my studies were very meaningful for the completion of this dissertation.

5. **Prof. Dr. Sri Minda Murni, M.S.**, as my respected **Promoter**. Thank you very much for your patience, invaluable guidance, broad insights, and endless motivation. Every direction, correction, and discussion with you has opened the horizon of thinking and become a light in every step of the preparation of this dissertation.
6. **Prof. Dr. I Wayan Dirgeyasa, M.Hum.**, as my respected **Co-Promoter**. Thank you for all the critical and constructive input, encouragement, and time taken to discuss in order to sharpen the analysis in the present research.
7. The entire board of examiners, consisting of **Dr. Rahmad Hussein, M.Ed.**, **Prof. Dr. Sumarsih, M.Pd.**, and **Prof. Dr. Amrin Saragih, M.A.**, Sincere thanks for the valuable suggestions, criticisms, and insights that you have provided in the seminar and examination, which greatly helped in the improvement of this dissertation.
8. All Academic Staff, especially the Postgraduate Program of the **Faculty of Language and Arts** and the **English Education Linguistics Study Program** State University of Medan, who have provided facilities and learning opportunities for the researcher..
9. All informants and participants in this study, namely the members of the MOBA gamers community. Without your willingness and openness to share data and experiences, the present research on this unique linguistic phenomenon would not have been possible. Thank you for the trust that has been given.
10. Beloved family, his Father **M. Sembiring**, Mother **S. Br. Ginting**, his beloved wife **Fransiska Elisabet Sagala, S.Pd**, and dear children **Dezrania, Elyana** and **Avariella Sembiring** and the entire **Sembiring Meliala** and **Sagala family** who always provide prayers, love, moral and material support, and unlimited understanding during the researcher's studies.

11. Colleagues in the English Applied Linguistics S3 Study Program, thank you for your friendship, spirit of togetherness, and enlightening discussions. This journey feels lighter because it is traveled with you..

12. His gratitude also goes to the institution where he serve, **HKBP Nommensen University Medan, Faculty of Language and Arts**, especially to the Dean, **Dr. Arsen Nahum Pasaribu, M.Hum.**, for all the support, permission, and motivation given to the researcher to continue my studies up to this level. Support from the institution is a very meaningful encouragement. All parties who cannot be mentioned one by one, thank you for all your help and support.

The researcher realizes that this dissertation is far from perfection. Therefore, constructive criticism and suggestions are highly expected. Hopefully, this dissertation can provide benefits for the development of science, especially in the fields of linguistics and communication studies.
