

## PREFACE

All thanks to the Almighty God, His Son Jesus Christ, and the inclusion of the Holy Spirit throughout my life, even more so in compiling my thesis. God provides support and help from great people around me, and I thank them.

First to my parents are Albert Sibarani and Nia Pakpahan who kept on praying to Him for inclusion me. Let God give health to them always, someday I can repay all their tiredness.

I want to say big thanks for the rector of State University of Medan, Mr. Prof. Dr. Syawal Gultom, M.Pd., and his staff, Mrs. Dr. Martina Restuati, M.Si., as a dean of FMIPA Unimed. Thanks for Mr. Edy Surya, M.Si., is as leader of mathematics department, Mr. Drs. Zul Amry, M.Si., is as leader of mathematics education study program, and then for coordinator of bilingual program Mrs. Dr. Iis Siti Jahro, M.Si.

I am so thankful for Mr. Drs. Zul Amry, M.Si., as my thesis supervisor who guided me, teach me to complete this thesis. Then thanks for my thesis advisor who responsible and guide me to repair my thesis became better for Mr. Dr. E. Elvis Napitupulu, M.S., Mr. Dr. Mulyono, M.Si., Dr. Edy Surya, M.Si., and Mr. Drs. Syafari, M.Pd., who is also my academic supervisor.

Then thanks for Mr. Riadi, S.Pd.M.AP., is as headmaster of SMA Negeri 1 Perbaungan and Mr. Ishak Saragih, S.Pd., is as mathematics teacher XII MIA U of SMA Negeri 1 Perbaungan who guide, advise, and help me in doing research.

I am also thanks for Bilingual Mathematics 2014 members, thank you for our support and togetherness for the past 4 years, it turns out that it is not easy to be a math student, thankfully we can share about our lesson so far. Also thanks to PPLT SMA Negeri 1 Perbaungan for our three month togetherness our experience our real teacher in good or bad condition there.

Thanks to my best friends during my college in Unimed are Gayatri Rikayana Sianturi, Lasma Ronauli Pasaribu, Ati Malem Sari Ginting, Nova Rista Situmorang, Leny Azhar Saragih, Chrystin Yessica Siahaan, and Maria Pangaribuan, who always supported me especially in the assignment and not forget invited to hang out.

Not to miss Richard Paul Sidabalok who always gives prayer, time, and support for me, I will not forget you bro. Thanks for my sister Elisabet Sabatini Sibarani who in prayer slipped my name and did not forget to guide me, she is worthy of being an older sister. For my brother Ricky Marnaek Sibarani who always ask me when to graduate, he can't wait to take a photo with me wearing a toga. Lastly, thanks to my other sisters Debora Narni and Dewanti Manalu, and my little *jugul* Kasih and Petra, who are ready to be my happy place.

This thesis, of course, has its own advantages and limitations. Building critics and suggestions are needed to improve the quality for this thesis. Hope this thesis can increase our knowledge.
