

FOREWORD

Praise and gratitude the author prays to the presence of God Almighty, because with His blessings and grace, the author can complete this thesis entitled "Development of Student Worksheets Based on Project Based Learning on the Topic of Biodiversity for Class X". This thesis is compiled to fulfill one of the requirements to obtain a Bachelor of Education degree in the Bilingual Biology Education Study Program, Department of Biology, Faculty of Mathematics and Natural Sciences, State University of Medan.

First of all, the author would like to express his gratitude to Prof. Dr. rer. nat. Binari Manurung, M.Si. as the thesis supervisor who has helped the author a lot in providing advice, direction, motivation, and from the beginning of the research planning to the writing of this thesis. The author also thanks Prof. Dr. Drs. Tri Harsono, M.Si., Mr. Eko Prasetya S.Pd., M.Sc., and Mrs. Dr. Widya Arwita, M.Pd., as the examiner who has provided input, criticism, and suggestions so that this thesis can be well-organized. The author would also like to thank Mrs. Dr. Aswarina Nasution, M.Pd. as the academic supervisor who has provided a lot of guidance and direction from the beginning to the end of the lectures at Unimed. The author would also like to thank Mr. Dr. Hasruddin, M. Pd., Mr. Drs. Lazuardi, M.Si., Mr. Ahmad Shafwan S. Pulungan, S.Pd., M.Si., and Mr. Rizal Mukra, M.Pd. as validator lecturers who have helped in validating the author's research instruments.

The author would also like to thank Mr. Julaiman Simarmata, S.Pd., M.Pd. as the principal of SMA Negeri 1 Sumbul who has given me the time and opportunity to conduct research at the school. The author would also like to thank Mrs. Bethzeba Girsang, S.Pd. as a biology teacher who has also given permission and direction during the research. The author also does not forget to thank the younger siblings of class X-A and X-G SMA Negeri 1 Sumbul who have been willing to coordinate during the research period.

The author expresses deep gratitude and dedicates this thesis to her beloved parents her late father, Arison Lingga, who is dearly missed, and her mother, Efrida Emma Siallagan, for her unwavering support, love, and motivation

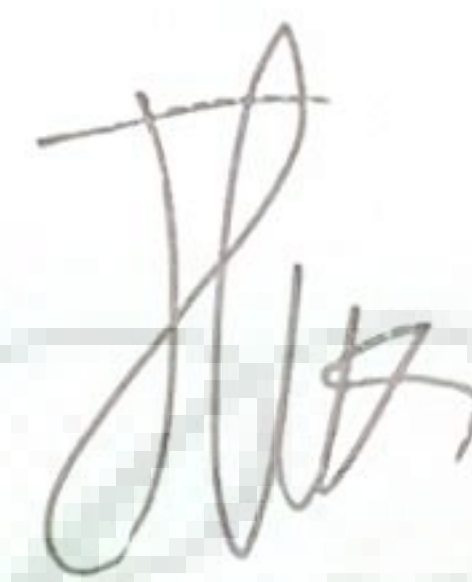

throughout this journey. Special thanks also go to the author's sister Oktafarini Maulina Lingga for her financial and emotional support, Ade Sefriyanti Lingga for her prayers and assistance, and to the author's younger siblings, Martuahna Putra Pandapotan Lingga and Anggita Apriliyani Lingga, for their continuous encouragement and prayers.

The author would also like to thank the members of SIP IN (Juwita, Asnawi, Nindya, and Salamah) who have become friends and shared stories during college. There are many stories that we have gone through together, the author is sure, this college period will be a sweet memory to remember. Let's maintain this friendship until the end because the author does not want this friendship to end. Thank you also to my fellow BESP 2020 friends, thank you for all the joys and sorrows of college that the author cannot mention one by one.

Finally, the author expresses her deepest gratitude to himself who has been strong, persevered, remained enthusiastic, and continued to struggle in facing every process that has been and will be faced. The author has tried his best in compiling this thesis, but the author is fully aware that this thesis still has many shortcomings, both in terms of content and language. With all humility, the author expects suggestions and criticisms from the readers.
