

ACKNOWLEDGEMENT

Praise and gratitude to Allah SWT for all His grace, grace, and inclusion so that the author can complete the thesis entitled "Development of Digital Comic with Spiritual Value as a Learning Media for Chemical Bonds Material in Clas X High School" well. This thesis was prepared as one of the requirements for obtaining a Bachelor of Education degree in the Chemistry Education Study Program, Faculty of Mathematics and Natural Sciences, Universitas Negeri Medan.

In the process of preparing this thesis, the author realizes that without the help, support, and prayers from many parties, this thesis would not have been completed properly. Therefore, on this occasion, the author would like to express sincere gratitude to:

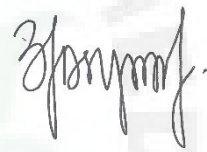

1. Prof. Dr. Ani Sutiani, M.Si, as the Dean of the Faculty of Mathematics and Natural Sciences, Universitas Negeri Medan, who has provided the opportunity for the author to complete this thesis.
2. Dr. Ayi Darmana, M.Si, as the Head of the Chemistry Department and also the author's thesis supervisor, who has provided guidance, direction, support, and valuable suggestions throughout the process of completing this thesis.
3. Haqqi Annazili Nasution, S.Pd., M.Pd, as the Head of the Chemistry Education Study Program, who has assisted the author in the administrative process during the completion of this thesis.
4. Dr. Ratu Elvina Dibyantini, M.Si; Susilawati Amdayani, S.Si., M.Pd; and Drs. Eddiyanto, Ph.D, as the thesis examiners, for their constructive criticism, suggestions, and valuable input for the improvement of this thesis.
5. Mutia Ardila, S.Pd., M.Pd as the validator of the non-test instrument, and Mutiara Agustina, S.Pd., M.Pd; Rabiha Afifah Daulay, S.Pd., M.Pd; and Ervi Luthfi Sheila Wanni, S.Pd., M.Pd as validators of the material, media, and spiritual values, for their valuable suggestions and guidance in improving the research instruments and the developed digital comic media.
6. Hj. Fatmawati Lubis, S.Pd., M.Pd; Sitti Darna Derita Munthe, S.Pd., M.Pd; and Herlinawati Aritonang, S.Pd, as teachers at SMA Negeri 2 Medan who provided the opportunity and support for the author to conduct research.

7. The students of class XI Atom and XI Mendel-2 at SMA Negeri 2 Medan who participated as respondents in this research.
8. Muhammad Wahyudi, S.Pd, as the Head of the Indonesian Association of Science Chemistry Educators of North Sumatra, as well as all chemistry teachers who are members of the organization, who kindly participated in filling out the practicality questionnaire of the developed digital comic media.
9. The author's beloved parents, Syafruddin and Yetti Marni, who always provide endless prayers, love, support, and motivation so that the author can reach this stage.
10. The author's beloved siblings, Vefi Oktaviani Yesa and Nayya Belvira Yesa, whose love, encouragement, and constant presence have been a quiet strength for the author. Their laughter, prayers, and support have brightened even the most difficult moments during the completion of this thesis.
11. The author's cousins, Hikmah and Qori, who have accompanied the author and listened to many stories and struggles during the completion of this thesis.
12. The author's best friends "INI 6" (Andini, Cintami, Emitiur, Nurul, and Mutiara) who have colored the author's university life with friendship, support, and motivation.
13. The author's long-time friends Aulia, Icha, Bilha, and Aidila, who have always supported each other and struggled together for a better future.
14. All friends from Bilingual Chemistry Education 2022, who have shared enthusiasm, support, and beautiful memories during the academic journey.
15. The author's friends "Minggu CFD" (Dhona and Azli) who always listen and provide encouragement and support. And, to my lovely roommate Ara, who always give me support and best listener.
16. All parties who cannot be mentioned one by one who have directly or indirectly contributed to the completion of this thesis.
17. Last but not least, the author would like to thank herself for always believing that "*after hardship comes ease*," for never giving up, and for always trying and learning many new things. Thank you for becoming the best version of yourself at this stage.

The author realizes that this thesis may still contain limitations, both in writing and grammar. Therefore, constructive suggestions and criticism are highly appreciated for the improvement of this thesis. May Allah reward all parties who have helped the author in completing this thesis. The author hopes that this thesis can provide benefits for the development of education and for all readers.
