|            |                                                                                                                                                           |    |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Tabel 3.1  | Norma Skor <i>Bleep Test</i> .....                                                                                                                        | 30 |
| Tabel 3.2  | Klasifikasi Penilaian Keseluruhan .....                                                                                                                   | 35 |
| Tabel 3.3  | Norma Penilaian Tes Fisik .....                                                                                                                           | 35 |
| Tabel 4.1  | Hasil Penelitian Kondisi Fisik (Jumlah dan Rata-rata per Item Tes).....                                                                                   | 38 |
| Tabel 4.2  | Hasil Penelitian Kondisi Fisik (Jumlah, Rata-Rata, Kategori Per Item Tes, jumlah Rata- rata, Rata- rata Keseluruhan dan Rata – rata kategori Fisik) ..... | 39 |
| Tabel 4.3  | Persentase Hasil Tes <i>Sit and Reach</i> .....                                                                                                           | 42 |
| Tabel 4.4  | Persentase Hasil Tes <i>Stork Balane</i> (Kanan) .....                                                                                                    | 43 |
| Tabel 4.5  | Persentase Hasil Tes <i>Stork Balane</i> (Kiri) .....                                                                                                     | 44 |
| Tabel 4.6  | Persentase Hasil Tes <i>Sit Up</i> .....                                                                                                                  | 45 |
| Tabel 4.7  | Persentase Hasil Tes <i>Grip Strength</i> (Kanan) .....                                                                                                   | 46 |
| Tabel 4.8  | Persentase Hasil Tes <i>Grip Strength</i> (Kiri) .....                                                                                                    | 47 |
| Tabel 4.9  | Persentase Hasil Tes <i>Push Up</i> .....                                                                                                                 | 48 |
| Tabel 4.10 | Persentase Hasil Tes <i>Seated Medicine Ball Throw</i> .....                                                                                              | 49 |
| Tabel 4.11 | Persentase Hasil Tes Lari 20 Meter .....                                                                                                                  | 50 |
| Tabel 4.12 | Persentase Hasil Tes Lari 300 Meter .....                                                                                                                 | 51 |
| Tabel 4.13 | Persentase Hasil Tes <i>Core Plank</i> .....                                                                                                              | 52 |
| Tabel 4.14 | Persentase Hasil Tes <i>Bleep Test</i> .....                                                                                                              | 53 |
| Tabel 4.15 | Persentase Hasil Tes WBR Visual .....                                                                                                                     | 54 |
| Tabel 4.16 | Persentase Hasil Tes WBR Audio .....                                                                                                                      | 55 |
| Tabel 4.17 | Persentase Hasil Tes Antropometri.....                                                                                                                    | 56 |
