ABSTRACT

Yogi Setiawan Simanullang, NIM 2213342026 “The Synergy of Worship Leaders and Musicians in Worship Services at Muen Methodist Church Medan”. Thesis, Music Education Study Program, Department of Dance and Drama, Faculty of Languages and Arts, State University of Medan, 2025.

The objectives of this research are (1) to determine the synergy between the Worship Leader and the musicians in the worship service. (2) to determine the strategies implemented to enhance the synergy and cooperation between the Worship Leader and the musicians at Muen Methodist Church Medan. This study uses a qualitative descriptive method with data collection techniques through observation, interviews, and documentation. The results of this study confirm that a good synergy between the Worship Leader and the musicians significantly influences the atmosphere of the worship service, increases congregational involvement, and strengthens the spiritual experience. Therefore, improving the quality of coordination, spiritual and technical training, and facility upgrades need to be carried out so that the worship ministry becomes more meaningful.
