

DECLARATION

I declare that this thesis is entirely my own work and has never been previously submitted, in whole or in part, for any degree or academic qualification at this school or anywhere else. This thesis was completed after I had officially registered for the Sarjana Pendidikan degree. I accept full responsibility for ensuring that all procedures were carried out in compliance with the University's research ethical rules, which I thoroughly read and understand. Throughout the course of this research, I have made careful efforts to recognize and manage any possible risks involved. Furthermore, I obtained all relevant ethical and/or safety permits, carried out my responsibilities as a researcher, and ensured that every participant's rights and welfare were properly protected.
