|-------------|---|----|
| Figure 2.1  | The Concept of Metacognitive                          | 18 |
| Figure 2.2  | Relationship to four functional terms                 | 20 |
| Figure 2.3  | Hydrostatic pressure                                  | 22 |
| Figure 2.4  | Fluid on cylindrical                                  | 23 |
| Figure 2.5  | Pressure in All Directions                            | 24 |
| Figure 2.6  | The pressure at the bottom                            | 25 |
| Figure 2.7  | Pressure Measurement                                  | 25 |
| Figure 2.8  | Graph of density $\text{CO}_2$ - pressure in seawater | 27 |
| Figure 2.9  | Hydraulic Jack  | 28 |
| Figure 2.10 | Floating Object                                       | 30 |
| Figure 2.11 | Drifting Object                                       | 30 |
| Figure 2.12 | Sinking Object  | 31 |
| Figure 2.13 | The Molecule Fluid in Surface Tension                 | 31 |
| Figure 2.14 | The example of Surface Tension                        | 32 |
