

FIGURES LIST

Figure 2.1.	Direction of current and electrons flow	19
Figure 2.2.	Ammeters arranged in series	21
Figure 2.3.	Installation of shunt resistance	22
Figure 2.4.	Voltmeter arranged in parallel	23
Figure 2.5.	Installation of front resistance	23
Figure 2.6.	Arrangement of resistance in series	25
Figure 2.7.	Arrangement of resistance are arranged in parallel	26
Figure 4.1.	Distribution of pretest result	46
Figure 4.2.	Distribution of post-test result	47
