

ACKNOWLEDGEMENT

First of all, I would like to praise and gratitude to God Almighty for His love and grace that has given the health and wisdom to the author so that this thesis can be completed properly in accordance with the planned time.

This thesis entitled "A Comparison between Cooperative Learning Type Group Investigation with E-Learning on Student's Learning Achievement and Critical Thinking in Grade Eleventh SMAN 2 Balige at the Academic Year 2011/2012" arranged to obtain S1 degree of Sarjana Pendidikan, Faculty of Mathematics and Natural Science, State University of Medan.

During writing this thesis, the author had the guidance, assistance and prayer support from the various parties. First and foremost, the writer would like to express the endless gratitude to my beloved parents, **Ayahanda Harmonis Tarigan** and **Ibunda Sarioni Ginting, BA** for their patience, encouragement including their endless love and pray to me.

Therefore, the author would like thank profusely to

- 1). **Prof. Drs. Motlan, M.Sc, Ph.D.**, as Dean of the Faculty of Mathematics and Natural Science, State University of Medan.
- 2). **Prof.Dr.Herbert Sipahutar, MS, M.Sc**, as my thesis supervisor for his valuable time in correcting and critizing the thesis draft until its present form.
- 3). **Dr.rer.nat. Binary Manurung, M.Si, Syarifuddin, M.Sc, PhD, Dra.Meida Nugrahalia, M.Sc**, as the lecturer team of examiners for their suggestion and constructive criticisms for the revision of this thesis.
- 4). **Drs. H. Tri Harsono, M.Si**, as my academic supervisor who has guided the author during academic program.
- 5). All of the staff in Faculty of Mathematics and Natural Science and Biology Department, State University of Medan who have given the knowledge that are useful for the author during academic program.
- 7) Head of Education and Culture Ministry Tobasa, **Dra. Mariani, M.Pd** who has given permission for author to do research in SMAN 2 Balige.

- 6). Principal of SMA Negeri 2 Balige, **Danjor Nababan, S.Pd, M.M**, for his kindness to allow author in conducting this research at SMAN 2 Balige.
- 7). **Ida Lumbantoruan, S.Pi and Rohani Siburian, S.Pd, M.Si** as biology teacher in SMAN 2 who helped me in conducting the study.
- 8). **Students of Class XI IA 2 and XI IA 3 SMAN 2 Balige** who had received the presence of the author during research in these classes.
- 9). Author also says thank for principal of SMAN 1 Berastagi, **Alberto Colia, M.Pd** who have given permission to validate the instrument test and **Drs. Bokti Tarigan** as biology teacher who helped me in validating the research instrument and also Class XI IA 5 of SMAN 1 Berastagi who has received a good response for answer the instrument test.
- 10). All my friends especially for **Keasy Rismauly, Maya Sari** for their motivation, kindness and encouragement to author.
- 11). Last but not the least, **All sisters and brothers in Biology Department and Chemistry Department, State University of Medan** for their support in many things whose name cannot be mentioned one by one in here.

Medan, July 10th 2012

Author,

Wenny Pintalitna Tarigan
