

ACKNOWLEDGEMENT

Syukur Alhamdulillah, the writer would like to praise and thank Allah SWT, the almighty, who has granted countless blessing and opportunity to her so that she is finally able to finish the thesis.

The thesis which is titled "Using Self-Assessment to Express Students' Concept Mastery Test of Cell in Bilingual Teaching in 11th Grade Science of SMA N 1 Sidikalang" is compiled to complete the terms obtained for her Sarjana Pendidikan from Faculty of Mathematics and Natural Science, UNIMED.

The success of this thesis depends largely on the encouragement and guidelines of many others. She takes this opportunity to express her thankful to the people who have been instrumental in the successful completion of this thesis. She would like to say her greatest appreciation to Prof. Dr. Herbert Sipahutar, M.S., M.Sc., as the thesis supervisor also as coordinator of Bilingual Program. She can not say thank you enough for his tremendous support and suggestion. Another great appreciation is addressed to Dr. Rer nat Binari Manurung, M.Si., Dra. Meida Nugrahalia, M.Sc., Dra. Martina A. Napitupulu, M.Sc., as her examiners, for the valuable suggestions to be included in this thesis and spent precious time in giving the encouragement and comments for this thesis.

She gratefully acknowledges the deepest gratitude to Drs. Nusyirwan, M.Si., as the academic advisor. She also would say thank to all lecturers of Biology Education Bilingual Program, who have gave the valuable knowledge during the completion of this thesis.

Special thanks are extended to Drs. Alben Sianturi as the headmaster of SMA Negeri 1 Sidikalang, Mr. Wahidin S.Pd as Biology teacher of grade eleven science classes of SMA Negeri 1 Sidikalang, for the guiding and cooperation during research.

She could not find precious words to represent her grateful thank for her beloved parents Sonar Muda Harahap and Dra. Ellianur Hasibuan, for having

given her unfailing support and encouragement during the academic year and the completion of this thesis, also for her lovely brothers and sister, Arif T. Harahap, Rafly Rasyad Harahap and Siti Rina A. Harahap for always trying to keep her on track whenever and whatever problems she has to overcome.

Last but not least, the attention and lovely support received from her entire best friend in Majlis Taklim (Sukma, Qije, Nopi) also in Everlasting Friendship of Biology Biligual '08 Debo, Kistin, Winwin, Uci, Isah, Tari, Keasy, Meti, Rahmad, Hasymi, Noviyanti, Maria, Henny, Wenny, Maya, Silvia, Vero and all friends from Biology Bilingual Program Year 2008 for their laugh, togetherness and friendship. The special thank also delivered to Nike Anatasia for her kindness to join the last but not the lost group and together with them finished the ending of thesis' misery.

The writer has tried to finish this thesis as good as possible, but she is aware there are still many weaknesses of both content and grammar of this thesis. Hopefully, this thesis would be useful to the reader.
