

## List of Figure

	Page
Figure 2.1. The Picture of Electron Micrograph of Plasma Membrane	14
Figure 2.2. The Size and Structure of Nuclei in Prokaryotic and Eukaryotic	15
Figure 2.3. The Structure and Distribution of Vacuole in Animal and Plant Cell	17
Figure 2.4. The Scheme of Conceptual Framework	19
Figure 3.1. The Relation between Dependent, Independent and Moderator Variable	21
Figure 3.2. The Scheme of Research Procedures	25
Figure 4.1. The Graph of Comparison of Students' Points in Students' Concept Mastery Test (SCMT) of Cell and Self-Assessment (SA) in the First Meeting	34
Figure 4.2. The Graph of Comparison of Students' Points in Students' Concept Mastery Test (SCMT) of Cell and Self-Assessment (SA) in the Second Meeting	36
Figure 4.3. The Graph of Comparison of Students' Points in Students' Concept Mastery Test (SCMT) of Cell and Self-Assessment (SA) in the Third Meeting	38
Figure 4.4. The Graph of Comparison of Students' Points in Students' Concept Mastery Test (SCMT) of Cell and Self-Assessment (SA) in the Fourth Meeting	40
Figure 4.5. The Graph of correlation between SA point and SCMT points	45
