

LIST OF TABLES

Page		
2.1.	Analyzing Students' Misconceptions in Atomic Structure	12
2.2.	The Methods Overcome Misconceptions	13
3.1.	The Member of Sample from each School	20
3.2.	The Lattice for Twenty Five Diagnostic Test Based on Indicator	22
3.2.	Indicate of Understanding Degree	24
4.1.	The Average of Student's Achievements on SMA Class X	26
4.2.	The Grouping Based on Student's Ability of SMA Class X	27
4.3.	Student's Understanding Level In Labuhanbatu	28
4.4.	Group's Misconception and Total of Student's Misconception	30
4.5.	Misconceptions on the Development of the Atomic Theory	32
4.6.	Misconceptions on the Elementary Particles Atomic	33
4.7.	Misconceptions on the Relative Atomic Mass	34
4.8.	Misconceptions on Classify Elements into Isotopes and Isobars	35
4.9.	Misconceptions on the Electron Configuration and Valance Electron	36
4.10	Student's Misconceptions on Atomic Structure and the Actual Conce	38
