

ACKNOWLEDGMENT

First of all I would like to devote his greatest thankfulness to the Almighty Allah SWT, He is the Most Gracious and The Most Merciful for His blessing, guidance, strength, health and His favor which have been given so that I could finally finish this thesis entitled : **Analyzing of Students' Misconceptions on Salt Hydrolysis Chemistry at Senior High School in Padangsidempuan.**

In this opportunity, I would like to express my gratitude to my thesis supervisor, Dr. Zainuddin Muchtar, M.Si., for giving me his guidance, support, and chance in doing this research. I also thank to Prof. Dr. Ramlan Silaban, M.Si., Dr. Mahmud, M.Sc., and Dra. Ani Sutiani, M. Si., as my examiners for their advices, suggestions, guidance, and constructive critics in the process of completing this thesis.

I also like to say thanks to for Dr. Retno Dwi Suyanti, M. Si. as my instrument valuator for her times and suggestion in development of my research instrument, for Prof. Motlan Sirait, M.Sc., Ph.D., as the dean of Mathematics and Natural Sciences Faculty, Prof. Dr. rer. nat. Binari Manurung, M. Si., as coordinator of Bilingual Program, Drs. Jamalum Purba, M.Si. as the head of Chemistry Department, and Prof. Drs. Manihar Situmorang, M.Sc., Ph.D. as my academic supervisor for all their help in completing my study and this thesis. The work was also made possible through Student Grant from Research Institute, State University of Medan.

I give special gratitude for my beloved mother, Rosmiati Harahap and father, (Alm) M. Idris and also for my brothers; Riswandy Syahputra, Doly Kurniawan, and Wiwin Destree Anggi. No other could replace all of your love for me.

Many colleagues have also been an integral part of my thesis. Those are my team in Student Grant for their help in doing this research. To my beloved friend Mr. A, thank you for everything and your support for me. My other friends and colleagues, firstly at Bilingual Chemistry Education '09 class especially for

my beloved friend Siti Rahma, thank you for sharing everything, Sari, Ika, Lia, Irna, Fitri and Dayat, and more latterly in Teaching Experience Program in School, I love them. I also say thanks to my friend in IAIN SU; Especially for Wilda Lestari Cliquers, you are my great Friend, also addressed to Adit, Omak, Maya, Iin and other in there. Thanks are also addressed to SMA Negeri 2, SMA Negeri 4, SMA Negeri 3, SMA S Kesuma Indah, SMA S Muhammadiyah and SMA S Karya Baru Padangsidempuan that give me time to done my research in their school, the last for SMA Negeri 2 Kisaran students as placed of my teaching experience. They are always in my mind. Thank you all.

I have attempted as maximal as I can in doing this thesis. However, in my humble heart the writer hope construct suggestions and critics from the reader for the perfection of this thesis. The writer hopes this thesis can be useful and gives many function to the readers knowledge especially about subject matter which is researched in this thesis.
