

List of Table

	Page
Table 2.1. Difference Learning Characteristics of Conventional and Constructivist Learning	12
Table 2.2. Comparison between Solution, Colloid, and Suspension	24
Table 2.3. Dispersed Phase	26
Table 3.1. Design of research the implementation of learning cycle model with experimental method to increase students achievement in teaching of colloid	35
Table 3.2. Research time table implementation of learning cycle model with experimental method to increase students achievement in teaching of colloid year 2013	44
Table 4.1. Data Research Results	47
Table 4.2. Normality Test	49
