

LIST OF FIGURE

	Page
Figure 2.1 Model of Memory	14
Figure 2.2 Human Regulatory System	18
Figure 2.3 Nerve Cells	19
Figure 2.4 Stages of action potential in unmyelinated axons	20
Figure 2.5 Chemical synapses transmit signals from one neuron to another	22
Figure 2.6 Reflex Arc	23
Figure 2.7 Brain Division	24
Figure 2.8 Spinal Cord	24
Figure 2.9 The endocrine system in females and males	29
Figure 2.10 Eyes part	33
Figure 2.11 Ears part	33
Figure 2.12 Tongue part	34
Figure 2.13 Nose part	35
Figure 2.14 Skin part	35
Figure 3.1 Research procedure	45
Figure 4.1 The comparison of pre-test score on experiment and control class	48
Figure 4.2 The comparison of post-test score on experiment and control class	49
Figure 4.3 The comparison of motivation score on experiment and control class	50
Figure 4.4 The comparison of retention score on experiment and control class	51
