

LIST OF FIGURES

	Page
Figure 1.1. Observation Result of Student's Answer Number One	5
Figure 1.2. Observation Result of Student's Answer Number Two	5
Figure 1.3. Observation Result of Student's Answer Number Three	6
Figure 2.1. The Relationship between Internal and External Representation in Developing Child's Understanding of the Concept of Numeracy	15
Figure 2.2. Placement of Table Tournament	23
Figure 2.2. The Relationship between Teams Games Tournament and Student's Mathematical Representation Ability	26
Figure 3.1. Procedure of Research	39
Figure 4.1. The Diagram of Students' Mathematical Representation Ability (Pretest)	54
Figure 4.2. The Diagram of Students' Mathematical Representation Ability (Posttest)	55
Figure 4.3. The Diagram of Students' Mathematical Representation Ability (N-Gain)	55
