

LIST OF APPENDIX

	<i>Page</i>
Appendix 1. Syllaby	64
Appendix 2. Analysis of General ChemistryTextbok	68
Appendix 3. Questionnaire of Innovation and Interactive Chemistry Learning Material on the topic of chemical equilibrim	78
Appendix 4. The question for Description of Trial	79
Appendix 5. The Innovative and Interactive Chemistry Learning Material	81
Appendix 6. The Questionnaire of Standardization by Students	82
Appendix 7. The Questionnaire of Standardization by Chemistry Lecturers	87
Appendix 8. The Average of Standardization value by Students and Lecturers	88
Appendix 9. Research Documentation	89
Appendix 10. Letter of Administration	91
