

LIST OF TABLES

	Page
Table 2.1 Solubility product constant for several insoluble salts and bases at the temperature of 25 °C	23
Table 2.2 Applicability of guided inquiry with concept mapping and direct instruction with concept mapping to solubility and solubility product	27
Table 3.1 Research design	31
Table 4.1. Student's cognitive scores	46
Table 4.2. Normality test research data	47
Table 4.3. Homogeneity test of research data	48
Table 4.4. Hypothesis test result	49
