

LIST OF FIGURE

Figure 2.1	Instructional and Nurturing Effects on Direct Instruction Model	11
Figure 2.2	Transversal Wave	18
Figure 2.3	Longitudinal Wave	19
Figure 2.4	Sinusoidal Wave	19
Figure 2.5	Stationary Wave reflection with fixed tip	22
Figure 2.6	Stationer Wave reflection with end free	23
Figure 2.7	Changes of the waveform when the wave propagates	24
Figure 2.8	Changes of wavelength in the ripple tank	25
Figure 2.9	Diagram of refraction in the ripple tank	25
Figure 2.10	Schematic diagram of wave refraction	26
Figure 2.11	Waveform through a single narrow slit	28
Figure 2.12	Waveform through a single width slit	28
Figure 2.13	Interference of the wave	29
Figure 2.14	Polarization of wave	30
Figure 2.15	Polarization process	31
Figure 3.1	The overview of research plan	36
Figure 4.1	Chart of Pretest result Experiment and Control class	43
Figure 4.2	Chart of Posttest result Experiment and Control class	44
Figure 4.3	Chart of Affective Domain in Experiment and Control Class	48
Figure 4.4	Chart of Psychomotor Domain in Experiment and Control Class	49
Figure 4.5	Chart of Cognitive, Affective and Psychomotor Domain in Experiment and Control Class	51
