

## TABLE LIST

|   | <b>Page</b> |
|---|-------------|
| Table 2.1 Syntax of PBL   | 21          |
| Table 2.2 Syntax of Direct Learning   | 24          |
| Table 2.3 Steps in Creating Concept Maps                                    | 27          |
| Table 3.1 Research Design Type Two Group (Pre-Test and Post-test)           | 41          |
| Table 3.2 sfesifikasi Test Results Dynamic Learning in Electrical Material  | 45          |
| Table 4.1 Pretest result  | 54          |
| Table 4.2 Post-test result  | 55          |
| Table 4.3 Summary of Average,Deviation standard, Variance of pretest data   | 56          |
| Table 4.4 Summary of Average,Deviation standard, Variance of post-test data | 56          |
| Table 4.5 Summary of Normality test on Experiment and Control Class         | 57          |
| Table 4.6 Homogeneity Test Results Summary Second Class                     | 58          |
| Table 4.7 Summary Of Hypothesis Test From Post-test                         | 59          |
| Table 4.8 Summary Of Hypothesis Test From Post-test                         | 60          |
