

ACKNOWLEDGEMENT

First of all, it is thankful for Jesus Christ who had given his blessing, health and luck so that I am able to finish this thesis successfully. This thesis appears in its current form also due to the assistance and guidance of several people. I would like to offer my sincere thanks to all of them who made this thesis possible and unforgettable experience to me.

Then, I would like to say my sincere gratitude to my advisors Prof. Dr. Berlin Sibarani, M.Pd and Prof. Dr. Hj. Sumarsih, M.Pd, who have supported me during my thesis completion with their patience, motivation, enthusiasm, and immense knowledge. Beside my advisors, I would like to express my deep thanks to Prof. Busmin Gurning, M.Pd, Prof. Dr. Lince Sihombing, M.Pd, Prof. Dr. Sri Minda Murni, MS, and Dr. Rahmad Husein, M.Ed, as my reviewers and examiners for the valuable inputs to be inserted in this thesis.

Furthermore, I would like to express my high appreciation to Drs. Sangap Ginting, M.Pd as the head master of SMA Swasta Methodist Lubuk Pakam for allowing me conducting research in there. Thanks to the English teacher, Ms. Trisnawati Marpaung, SS, M.Hum, who helps me in conducting the treatment in the classroom. To all students of SMA Swasta Methodist Lubuk Pakam, especially for the Grade XI IPS 1 and XI IPS 2, thanks for the cooperative attitude and work during the research.

Acknowledge my gratitude to Dr. Rahmad Husein, M.Ed and Prof. Dr. Sri Minda Murni, MS. Head and secretary of English Applied Linguistic Study Program for assistance in completing the administrative procedures, and Mr. Farid Ma'ruf as an administrator of LTBI who has given assistance in completing the

official administration to fulfill this thesis. And also all lectures who have given very valuable knowledge and science during my study at English Applied Linguistics Study Program Postgraduate School of State University of Medan.

My time at LTBI UNIMED was enjoyable due to my lovely friends the member of class B LTBI XVIII that became part of my life, especially Ibu Delfina, Luhetri Muhdalifa Manalu, Julia Ratih, Hestika Ginting, Eka Dessy, Fitri Ayunisa, Ibu Hairani and the group members of line. I am grateful for the fun and memorable time we had. My gratitude is also to my partner in Sunday School HKBP P. Bulan, especially the teacher of “Horong IA”, Ms. Ida, Ms, Friska and Ms. Sondang.

Finally, I would like to express the profound gratitude from my deep heart to my beloved family; my mother, Dra. Ratna Uli Gultom; my brothers, Erick Sibuea and Tommy Sibuea for their endless love, prays and support both moral and material before, during and after my academic years at Postgraduate School Program of State University of Medan, and special my special thanks also go to Silaban’s big family, my beloved husband Rejeki Silaban, ST, my handsome boy Melkisedek Silaban and my little princess Tabita Silaban for their understanding, caring and support, without them this thesis would not have been completed.
