

ACKNOWLEDMENT

All praise due to Allah, the lord of the Worlds, the beneficent and the merciful for His strange and his glory bless which make me able to do this research and composed this thesis. This thesis is the result of consortium of individuals who have supported me in countless way. Now is my chance to thanks. Being based at the English Linguistics Study Program in the State University of Medan has, to say the least, broadened my English linguistics horizon. Particularly to my advisors who has supported me from day one. Prof. Dr. Busmin Gurning, M.Pd and Dr. Anni Holila Pulungan, M. Hum succeeded in combining structure with freedom, honesty with encouragement, precision with inspiration, and humor with scientific reason. Thank you for my both advisor, for being the best advisors I have wished for.

My thanks also go to Prof. Dr. H. Ramli Abdul Wahid, MA, for giving me Batu Bara Malay language dictionary compiled by him and printed it for me. This has been guided me in my research, May Allah bless him.

The research environment in which I conduct this research was situated is highly knowledgeable and personable. I am grateful to my brother and sister, Farid Adnir Haekel and Zahratul Wardah who has connected me to the head of Talawi, Tanjung Tiram and Lima Puluh district in obtaining permission to conduct research in the districts. Thank you for this, without your help I doubt that I would be writing this.

The backbone of almost all collecting data are through directly involved to the study site and many colleagues and friends have assisted me in doing this, especially to Umi Kalsum and Sister Diah, Thank you all for welcoming me to your facilities.

This thesis was strongly supported by valuable suggestion and critics from these great reviewer members: Prof. Amrin Saragih, M.A., Ph. D, Dr. Rahmad Husein, M. Ed and Dr, T. Thyrhaya Zein, M. A who received this proposal and generously contributed to my research. Thanks you for this, and so much more.

Especially to Ade Fernanda Wijaya, SP. M.M, and My husband who has generously welcomed me on many occasions, thank you for making it that much easier for me, without your love and help, I would never have been able to complete this thesis. My sincerest appreciation is addressed to my parents who have sincerely cared for me. They encouraged me the value of humor, spontaneity and discussion in raising me. To My kids, Baihaqqi, Fatahillah, Sulthan and Yusuf, your laughter and smiles has strengthened me through tough times in the construction of this thesis.

Last but not least, I owe special debt to brother Farid as the staff of administrative affairs at the English Applied Linguistics Study Program who made sure that the appropriate procedures ran smoothly.
