

ACKNOWLEDGMENTS

The writer would like to commence thanking Allah SWT the Almighty and Most Beneficial for without her Guidance and Mercy for blessing her to complete her project, her thesis would not have been completed. Her study is concerned on Requestive Speech Act used by Male and Female at *Puskesmas* which is submitted to Post Graduate School of State University of Medan in partial of fulfillment of the final academic requirements to obtain the degree of Magister of Humaniora from English Applied Linguistics.

First, the writer would like to express her best sincere gratitude to **Prof. Dr. Lince Sihombing, M.Pd** as her first adviser and her second adviser **Dr. Anni Holila Pulungan, M.Hum** for their valuable advice, guidance, constructive comments and precious time spent on supervising and commenting the process of writing until it comes to its present form. Second, her special gratitude goes to the head of English Applied Linguistics, **Dr. Rahmad Husein, M.Ed**, who has generously encouraged him in completing her study, all lectures, for the valuable knowledge and instruction they have imparted to him during the years studying and the librarians of the State University of Medan for lending some useful books and sources that are needed in writing her thesis.

The writer would like to sincerely thank the anonymous Informants who contributed suggestion, critic and advises to her study. My deepest gratitude goes to **Dr. Rahmad Husein, M.Ed, Prof. Dr. Busmin Gurning, M.Pd and Dr. Siti Aisyah Ginting, M.Pd** without their excellent academic guidance and support, her thesis would not have been possible.

Then, a very special debt of gratitude is directed to her beloved big family of grandfather Alm. H. (Purn) Letkol. CKU Soepardi, her beloved mother Hareni Purwantiani, together with her beloved husband Suyono, S.Pd., and her beloved sister Nirwanti Karina Ami Puti, S.Pd., and her beloved daughter Abidatun Mardhiyah and Abidatun Husna for their full love, care, support, and prayers.

Finally, a special debt of gratitude is addressed to all of her friends of 18th of LTBI Unimed: Dini Febriani, Luhetri Manalu, Julia Ratih, Fitri Ayunisa, Nurhanna Harahap, Hestika Ginting and her colleague in SMP Negeri 14 Binjai for their close friendship and encouragement in finishing her thesis.

Last but not least, she must confess that she has done her most to accomplish this thesis but she realizes that it is still far from being perfect. Therefore, any constructive, criticisms, suggestion, or comments will be highly appreciated.
