

ACKNOWLEDGEMENTS

Praise the Lord Jesus Christ for the mercy, guidance and love which have been given to the writer so this thesis could be completed. This thesis is a scientific writing that to be completed in order to fulfill one of the academic requirements for the degree of Magister Humaniora at English Applied Linguistics Program: Postgraduate School, State University of Medan.

Foremost, the writer would like to express her sincere gratitude who have given valuable guidances, suggestions and useful influences on the writing of this thesis. The writer would like to deliver her grateful appreciation to her first advisor Prof. T. Silvana Sinar, M.A., Ph.D. and her second advisor Prof. Amrin Saragih, M.A. , Ph.D. Moreover, the writer would like to express to her examiners, Dr. Syahron Lubis, M. A., Dr. Zainuddin, M.Hum. , and Prof. Dr. Sri Minda Murni, M.S. Besides, the writer would also like to thanks to all the lectures of English Applied Linguistics Program who have given much encouragement and knowledge during taking the college.

Her gratefulness also goes to the Head of English Applied Linguistics Program, Dr. Rahmad Husein, M.Ed. and Prof. Dr. H. Abdul Muin Sibuea, M. Pd as the Director of Postgraduate School at State University of Medan.

The writer would also like to deliver his gratefulness to the head of SMP Negeri 1 Tebing Tinggi, Doanta Surbakti, S.Pd and Hendra as the English teacher for giving chance to do research in this school.

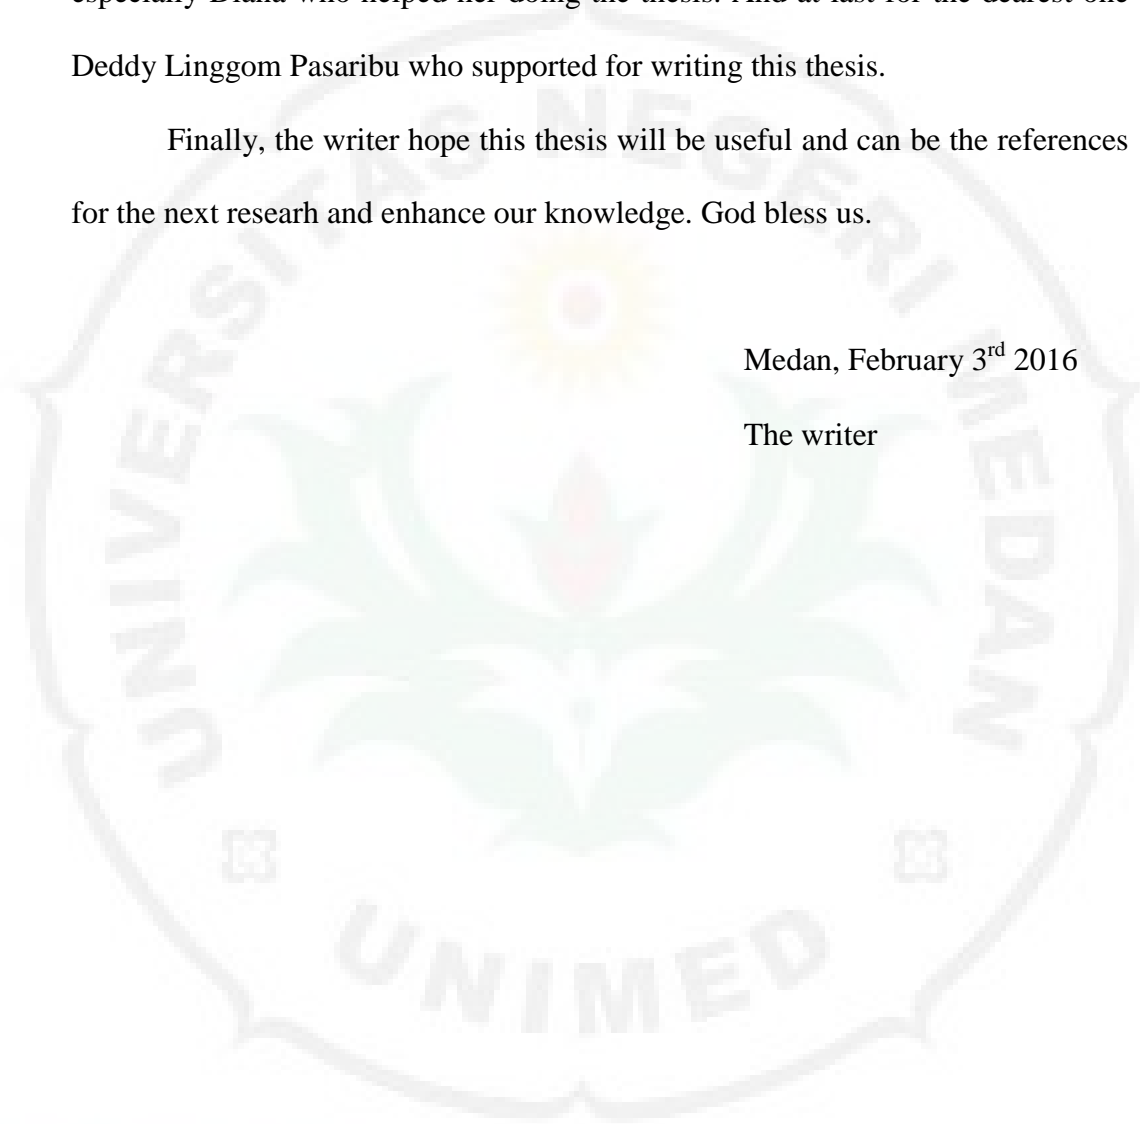

Special thanks are also for her parents M.J.T Siregar and B.E Gultom, S.Pd and her siblings Ucok, Lita and Ryan for their encouragement, care and love

during doing this thesis. The best thanks also goes to her friends in LTBI B-2 especially Diana who helped her doing the thesis. And at last for the dearest one Deddy Linggom Pasaribu who supported for writing this thesis.

Finally, the writer hope this thesis will be useful and can be the references for the next research and enhance our knowledge. God bless us.
