

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

Based on the reason of the data analysis, it is found that the series of pictures significantly affect the students' achievements in writing narrative text. The using of series of pictures enables the students to write a good paragraph. On the other hand, series of pictures give the significant effect to the students' achievement in writing a paragraph. Therefore it is concluded that the hypothesis is accepted.

B. Suggestion

As the result of the study, it is suggested that:

1. To the English teacher
 - a. Should use series of pictures in improving students' achievement in writing narrative text.
 - b. To reach the better result, it is better if the English teachers give the topic based on students' knowledge.
2. The students should practice their writing ability by using series of pictures.
