

CHAPTER V

CONCLUSIONS AND SUGESSTIONS

A. Conclusions

After analyzing the data of the research, conclusions are drawn as the following.

1. There are two types of interpersonal metaphor are used in *Mata Najwa's* Talkshow; they are the metaphor of mood in *Sang Penantang* is about 94.85% and metaphor of modality is about 5.14%. The metaphor of mood in *Sengatan Dahlan* is about 95.34 % and metaphor of modality is about 4.65%.
2. The total percentage of occurrences in metaphor of mood and metapor of modality .The total percentage of metaphor of mood is followed by statement occurences about 71.96% , 20.56% in question occurences, 2.33% command occurences, and 0% offer occurences from *Sang Penantang* episode are about 74.19 % in statement occurences, 19.35% in question occurences, 1.79% command occurences, and 0% offer occurences from *Sengatan Dahlan* Episode. Then total percentage of metaphor of modality consist of projecting occurences are about 5.14% in *Sang Penantang* and 4.65% in *Sengatan Dahlan*. Thus from the two types of interpersonal metaphors, statement of mood is dominant coded in *Mata Najwa's talk show*, and distance they use projection of modality. They used dominant coded to describe these options are available even when the speaker is talking to him or herself, assumning roles of both speaker and addressee, in an interior

dialogue. They used 'statement occurrences' are invite to receive information in other to ask feed back the information.

3. Interpersonal metaphor of statement coded and that of modality of projecting process are used in *Mata Najwa's* talk show when they describe meaning of the solving of the topic, tag of signalling that reponses are required and expected to be, indirect argumentation and tell about the politic cases . The occurences of the two interpersonal metaphor are caused by the different status among the participants. The different statuses between presenter in newsmakers are nderictly coded in the two type of interpersonal metaphor. Therefore, interpersonal metaphor is related with the situation in political interview.

B.Suggestions

In the relation to the conclusion, suggestion are staged as the following

1. It is suggested that other researchers should make a detail analysis of interpersonal metaphor in other types of talkshow or other of political context.
2. It is also suggested that others researcher should conduct further researches on interpersonal metaphor in other field of studies.
3. It is advised that Everybody who passions to join in political field or who wants to be the leader at the every contexts should appreciate their passions by learning the interpersonal metaphor.
