

ABSTRACT

Lubis, Novi Andri Ananda. 209421033. *Improving Students' Speaking Based on The Movie Sonny With A Chance*. A thesis. English Department, Faculty of Language and Arts, State University of Medan. 2013.

This study concerns on improving students' speaking achievement based on the movie *Sonny With A Chance*. The objective of this study is to find out whether the movie *Sonny With A Chance* can improve the students' achievement in speaking. This study was conducted by using classroom action research. The subject of this research was the second year student of SMA N 1 Hutabargot, Mandailing Natal. The research was conducted in two cycles. Instrument for collecting data used speaking test for quantitative data and diary notes, interview and observation sheet used for qualitative data. Based on the speaking test result, the students' score kept improving in every test. In orientation test, the mean score was 62. In the test of cycle 1 the mean score was 73,3 and the mean score in the test of cycle 2 was 82, 6. The conclusion is that the movie *Sonny With A Chance* can improve the students' achievement in speaking. It is suggested that teacher should apply the movie *Sonny With A Chance* as one of media to improve students' achievement in speaking.
