

CHAPTER V CONCLUSION AND SUGGESTION

A. Conclusion

After analyzing the data, it was found out that the students' achievement increased from the test I until test III. It is shown from the improvement of the mean of students score namely the mean of test I(62), the mean of the test II (73.3), and the mean of the test III (82.6). it can be stated that the score continuously improved from the test I until the test III. Therefore, it can be concluded that improving students' speaking achievement based on the movie *Sonny With A Chance* significantly improve students' achievement in speaking ability.

B. Suggestions

The result of this study showed that the use of movie *Sonny With A Chance* could improved students' achievement. Therefore the following suggestions are offered:

1. To English teachers, it is suggested to use the movie *Sonny With A Chance* as one alternative in teaching speaking ability because it can improve the students' achievement.
2. To the students, it is suggested to be more active and having fun in class when they are taught by using movie *Sonny With A Chance*
3. Because they were in grouping and got fun so that they can give, share and solve the problem based on the topic given.
