

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

Based on the reason of the data analysis, it is found that comic strips significantly affect the students; achievement in writing narrative text. The application of comic strips enables the students to write a good paragraph. On the other hand, comic strips give the significant effect to the students' achievement in writing a paragraph. Therefore it is concluded that the alternative hypothesis (H_a) is accepted.

B. Suggestion

In relation to the conclusion, suggestion are staged as the following

1. The English teachers are suggested to apply comic strips in order to improve students' achievement in writing narrative text. To reach the better result, it is better if the English teachers give the topic based on students' knowledge.
2. The students, they should practice their writing ability by using comic strips, by which they can maximize their writing achievement.

3. Since this study only focuses on the students' ability in writing narrative texts. It is suggested for other researchers to apply Comic Strips to other skills and other genres in writing.
