

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

Based on the result of the data analysis, it was concluded that the use of Small Group Discussion Technique was higher than that by using without Small Group Discussion Technique in writing hortatory exposition text. It also built the confidence of the students in expressing their ideas and opinions in their group. It means that Small Group Discussion Technique has an effect on writing hortatory exposition text. So, Small Group Discussion Technique is better used to increase students' achievement in writing hortatory exposition text than without Small Group Discussion Technique.

B. Suggestions

Based on the conclusion drawn, the results of the findings contribute valuable suggestions for those who are interested in teaching writing hortatory exposition text. The writer point out some suggestions as following;

1. English teachers are suggested to apply Small Group Discussion Technique in teaching writing text especially hortatory exposition text because this technique helps the students easy to understand and exchange their ideas with their friend.
2. The students can use this Small Group Discussion technique in group because It helps them to share ideas and information before they write.

3. Other researchers to develop the research by using small group discussion technique on other writing genres or language skill in conducting further research as it significantly affects the students' writing achievement.
