

CHAPTER V CONCLUSION AND SUGGESTION

A. Conclusion

After analyzing the data, the writer concluded that :

1. The meaning of the slang words used by the characters in 22 Jump Street Movie are mostly the contextual meaning.
2. The kind of slang that mostly used by the characters is Slang Used in America Television Program due to this kind of slang covers more words than other kinds, followed by Abbreviate Words and the last is various in slang.
3. The reason of using slang in 22 Jump Street Movie mostly is to reduce seriousness of conversation, this is based on Partridge's theory about the reason of using slang. Reducing serious on the conversation actually predictable since this is a comedy movie in which there are a lot jokes to be used.

B. Suggestions

1. The slang words are inappropriate word because it usually gives rude meaning but it is commonly used in America. So, the readers particularly students needed to know about the meaning of the slang language they usually use, because today, specially teenagers, they take anything for granted, without knowing the meaning they use the slang word to express their thoughts,

making status on social media and etc. It is important for giving the readers a clear explanation so that the readers would not make mistakes in understanding the meaning of those slang word.

2. The writer suggests that studying about slang is very interesting, so they must master the topic they want to discuss and other researchers should enjoy in the search of materials they need to analyze slang.
3. This thesis could be an additional material for other researchers who are interested in studying Non-Standard English especially slang and what are the reason of using it from Partridge (1979) and also kinds of those slang language from Burke (2001)
