

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

After analyzing the using of speech function in the Withdrawal Speech of Prabowo-Hatta on the Indonesia Presidential Election 2014-2019, the conclusions can be drawn as follows:

1. There are three types of speech function that are used in the Withdrawal Speech of Prabowo-Hatta on the Indonesia Presidential Election 2014-2019, namely statement (48 utterances, 87,3%) , offer (1 utterance, 1,8%), and command (6 utterances, 10,9%).
2. Statement is the most dominant type of speech function in the Withdrawal Speech of Prabowo-Hatta on the Indonesia Presidential Election 2014-2019 because the point of rejection can be conveyed through statement.
3. There are several implications of using statement dominantly in the Withdrawal Speech of Prabowo-Hatta on the Indonesia Presidential Election 2014-2019, namely:
 - Prabowo-Hatta can make sure their voters receive their idea clearly
 - The power of this speech is more powerful to influenced the public opinion that will realized Prabowo-Hatta has already known about the incident that occurred in Indonesia presidential election 2014-2019.

- Prabowo-Hatta can declare all of aspects that they consider as their evidences to proved their argumentation to withdraw from Indonesia presidential election 2014-2019.

B. Suggestion

Having seen the results of this research, the suggestion that are given by the researcher related to this topic namely:

1. For the political, especially for the candidate of leader, do the speech without any political affairs. Be honest, wise, and capable to put on the condition in the right track because a good leader comes from a good behavior.
2. It is suggested for the language students to learn more about speech function in order they can develop their understanding on how speech function works in text especially in the speech side.
3. for the students or other researchers who have a desire deepen the linguistic especially relevant with sociolinguistics. It can be used as a reference when they decide to discuss the same topic for their thesis. Furthermore they are able to understand the function of language that used.
4. It is recommended to the lecturer hoped to give the attention by studying about the speech in the class. It can help the students to make the speech which is not long-winded speech.
