

CHAPTER V CONCLUSION AND SUGGESTION

A. Conclusion

Based on the research finding, the researcher concludes that there is significantly effect of STOP and DARE Strategy on the students' ability in writing hortatory exposition text. It can be seen from the calculation of t-test at the level significance 0.05; t_{observed} (2.18) is higher than t_{table} (1.9994). Therefore, the alternative hypothesis (H_a) "There is significantly effect of STOP and DARE on the students' ability in writing hortatory exposition text" is accepted.

B. Suggestion

In the relation to the conclusion above, the researcher points out some suggestion as following:

1. The English teachers are suggested to apply STOP and DARE strategy in teaching hortatory exposition text as the alternative in teaching learning process because is proved effective to improve writing ability.
2. Since this research is limited to the investigation of the STOP and DARE strategy on writing and how the STOP and DARE strategy can be developed is not known, it is suggested that a research should be done on writing development.
