

CHAPTER V CONCLUSIONS AND SUGGESTIONS

A. Conclusions

After analyzing and drawing all the conversational implicatures on Sentilan Sentilun talk show, the researcher draw the conclusion as follows :

1. There were four types of maxim violation that caused conversational implicature on Sentilan Sentilun talk show. They were the violation of maxim quantity, quality, relation and manner.
2. Among all the utterances during the talk show presented, the dominant type of maxim violation found on the program was the maxim of relation.
3. The reason of the dominant type occurred on Sentilan Sentilun talk show was creating humor in order to flutter someone or certain topics.

B. Suggestions

Having seen the results of the study, the researcher would like to offer the suggestions as follows :

1. It is advisable for readers to understand the cooperative principle with its maxims, especially the four types of maxim violation which potentially caused conversational implicature on Sentilan Sentilun talk show in order to avoid misunderstanding among the participants and to get the speakers's intention through his utterances on the conversation.
2. It is suggested to other researchers and the students of Applied Linguistics, who are taking pragmatics to start analysing and

conducting further research in order to get other reasons of the dominant type of maxim violation which cause conversational implicature from other topics.
