

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the research finding, the researcher concludes that there is significantly effect of using comic strip as teaching media on students' writing narrative text. It can be seen from the calculation of t-test at the level significance 0.05; $t_{\text{observed}}(4.01)$ is higher than $t_{\text{table}} (1.6718)$. Therefore, the alternative hypothesis (H_a) "There is significant effect of using comic strip as teaching media on the writing narrative text" is accepted.

B. Suggestion

In the relation to the conclusion above, the researcher points out some suggestion as following:

1. The English teacher are suggested to apply comic strip as teaching media on writing narrative text as the alternative in teaching learning process because is proved effective to improve writing ability.
2. Since this research is limited to the investigation of the comic strip as teaching media on writing and how comic strip as teaching media can be developed is not known, it is suggested that a research should be done on writing development.
