

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

After analyzing the types of rhetorical style in the Headline News of the daily Kompas, conclusions can be drawn as follows:

1. There are eight types of rhetorical style in the Headline News of the daily Kompas namely, Asyndeton, Ellipsis, Euphemism, Litotes, Prolepsis or Anticipation, Erotesis or Rhetorical Question, Hyperbole and Oxymoron. However there is one kind of rhetorical style that only have one data. It is Litotes.

2. This is to show Headline News in variety of context have contradictory terms to take the attention of the readers, and some Headline News use appropriate sentence with the good purpose refers to taboo topics in a polite way, and some to show the exaggeration of the truth on order to make something appear greater not only in the content of the Headline News but also in title, it used to take the attention of the readers to reading the Headline News in newspapers.

B. Suggestions

In relation the conclusion suggestions are staged as the following

1. The students who learned Speaking, Reading, and Writing subjects need to comprehend this rhetorical, so that they can improve their ability in Speaking, Reading, making poems and writing effectively and interesting.

2. For students who are going to join Speech contest or Debating contest could apply this style, by applying this style their arguments will be more effective and accurate.
